

Acer Veriton Desktop Tower VS2690G Intel Core i7-12700 4GB RAM 1TB HDD
DVDRW FreeDos 1 Year

Description

**Acer Veriton Desktop Tower VS2690G Intel Core i7-12700 4GB RAM 1TB HDD
DVDRW FreeDos 1 Year**

Features

Acer Veriton Desktop series delivers exceptional reliability and business-grade performance with features like 100% solid capacitors and Intel® Core™ i9 processors. The Acer Veriton Desktop is built to provide powerful processing, enhanced security, and easy manageability, making it an ideal choice for businesses seeking dependable desktop solutions.

Empower Your Business

Powered by an up to 10th Gen Intel® Core™ i9 vPro® processor for faster processing power, superior reliability, and advanced security features.

Full Speed Ahead

Boasting an up to 1TB M.2 2280 PCIe SSD, expect accelerated speeds and performance on nearly everything you do with this machine.

Expandable Configuration

Put the versatile tool-less mounting brackets to good use and get up to 4 drive bays for your choice of storage while also enjoying 4 RAM slots supporting up to 64GB DDR4-2933 MHz memory. Additionally level up your graphics capabilities with a discrete NVIDIA® or AMD® graphics card.

Amplified Connectivity

Enjoy fast and stable Wi-Fi 6 (802.11ax) connectivity in addition to the up to 12 USB ports, including two USB 3.2 Gen 2 Type-C with high speed data transfer and support for up to 4 additional screens.

Reliably Managed

Now it's easier than ever for IT teams to remotely manage an office full of Veriton devices. The integrated Intel® Core™ vPro® technology allows administrators to take control and deploy patches and upgrades across the entire local network while getting an extra boost to security with Trusted Platform Management (TPM) 2.0 and a Kensington lock slot.

Easier Manageability

Enjoy a dedicated set of commercial management tools such as Acer Office Manager as well as Acer Control Center to help you better manage your fleet of office PCs.
