Exceptional performance, whatever the task

To make light work of all your business tasks, ExpertCenter D3 Tower is powered by a cutting-edge 10th Gen Intel® Core™ processor with the latest DDR4 RAM. An NVIDIA® discrete GPU is an option for those requiring advanced graphics performance for demanding visual tasks.

Asus D300TA Mini Tower i5-10400

Ready for the business world

A full array of I/O ports ensures ExpertCenter D3 Tower is ready to connect to a wide range of business peripherals. Flexible serial and parallel ports on chassis leave more PCI Express® slots available for additional upgrades.

Asus D300TA Mini Tower i5-10400

Built to last

To minimize the Total Cost of Ownership (TCO) to your business, ExpertCenter D3 Tower is designed with maximum expansion slots for whatever your future needs. World-leading components deliver dependable quality and exceptional endurance, giving you 100% long-term reassurance.
