Description

**Asus Proart Station PD500TC Tower Intel Core i9 11900 64GB 1TB NVIDIA RTX A2000 12GB
WINDOWS 11 PRO 2 year-90PF0301-M00BF0**

Unleash Your Creative Process

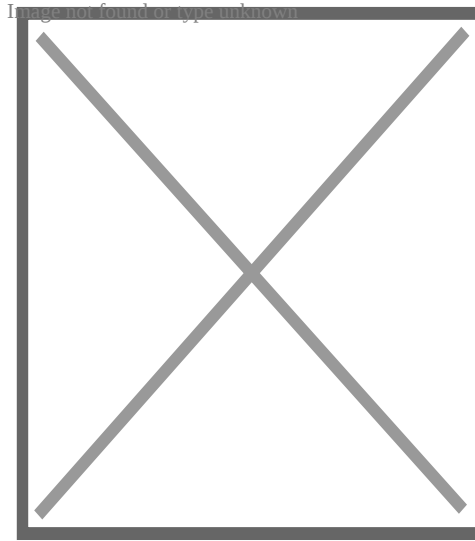

Designed for creative professionals, the **ASUS ProArt Station PD5 Workstation** features power, performance, and a modern design. Powered by a 11th Gen Intel Core i9 processor and 64GB of memory, the ProArt Station PD5 can handle creative apps with ease. The dedicated NVIDIA® RTX™ A2000 graphics card with 12GB of GDDR6 VRAM features NVIDIA Studio drivers that enable you to catch details in a pixel-accurate display and launch graphics-intensive apps with ease.

ISV Certified

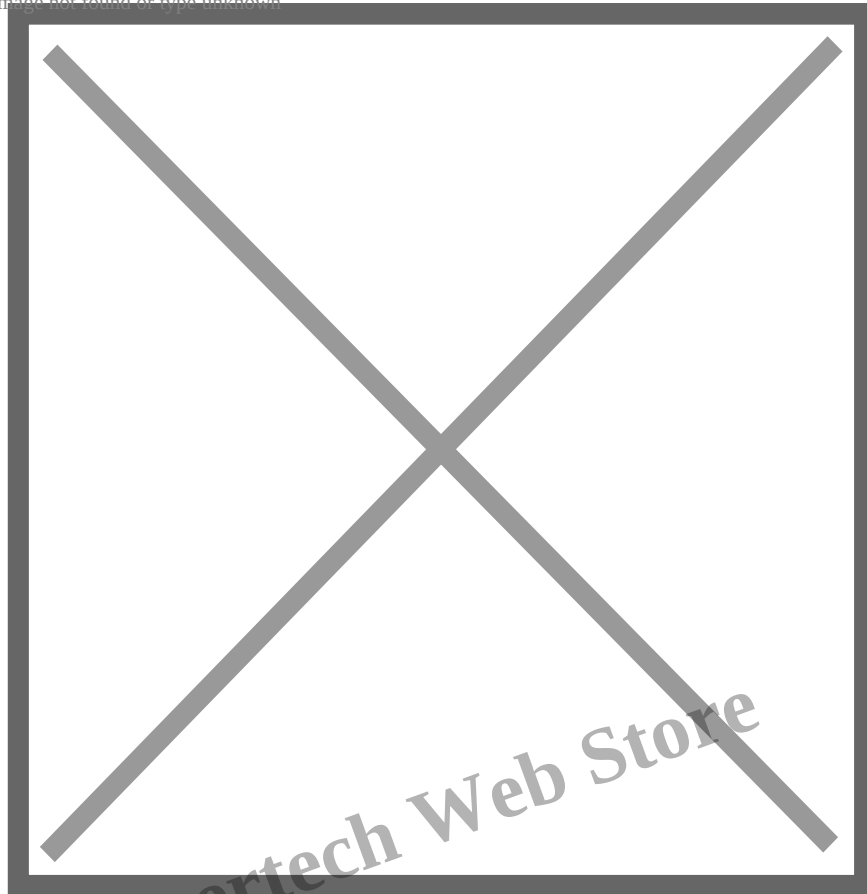

For creatives, software is key. That's why ASUS tests and invests in comprehensive Independent Software Vendor (ISV) certification processes to ensure the ProArt Station PD5 works as expected with professional applications from the world's leading software companies.

Powered to Perform

The system is powered by a 11th Gen Intel® Core™ i9-11900 Processor. Its eight cores can reach a stock speed of 2.5GHz (16M Cache, up to 5.2 GHz, 8 cores), 64GB of DDR4 RAM ensure ample performance for rendering, editing, multitasking, and more, while the 1TB M.2 NVMe PCIe SSD ensures fast boot and load times.

Lumiwiz LED Indicators

The ProArt Station PD5 features the innovative ASUS Lumiwiz module embedded in the front chassis, which illuminates a pair of light bars to indicate the status of the CPU, VGA, and more, offering creators insight into their computer's performance at a glance. And it's easy to customize the colors to match your mood, via the intuitive ProArt Creator Hub app.
