

Dell 24 Inch FHD Computer Monitor 3 Year – P2422H

Description

Dell 24 Inch FHD Computer Monitor 3 Year – P2422H

The **Dell P2422H 24 Inch Monitor** delivers sharp Full HD visuals with an IPS panel, ComfortView Plus, and versatile adjustability. Built for professionals and home offices alike, it comes with a 3-year warranty. Available now at **Supertech**, your trusted Dell monitor supplier in the UAE.

Features & Design

A better view from anywhere

Comfort without sacrificing color: Optimize eye comfort with ComfortView Plus, an always-on, built-in screen that reduces potentially harmful blue light emissions while delivering excellent color accuracy.

Color consistency comes standard: See consistent, vibrant colors across a wide viewing angle enabled by In-Plane Switching (IPS) technology. With 99% sRGB coverage, you get precise color right out of the box.

Sleek, stylish and organized: Hide cords in the monitor riser to keep things organized. This sleek monitor has a three-sided ultrathin bezel, small base and an improved, easy-to-use cable management system.

Comfort is key: Tilt, swivel, pivot and adjust the height of your monitor (150mm height adjustment range) for extra comfort during work.

Designed with you in mind: Snap on the Dell Slim Soundbar (SB521A) and elevate your listening experience.

Connect to productivity

Extensive connectivity: Easily connect to a variety of devices with extensive connectivity ports, including DisplayPort, HDMI, VGA and 4x SuperSpeed USB 5Gbps.

Quick-access ports: Easily share and deliver content via quick-access ports conveniently placed at the front of the display.

Easy navigation: Navigate the menu and adjust screen settings with the easy-to-use joystick control.

Expand your efficiency: The three-sided ultrathin bezel design lets you enjoy an uninterrupted view of your content across multiple monitors. Furthermore, you can boost your productivity by up to 21% with a dual monitor setup.

Dell Display Manager

Productive at every level: Easy Arrange allows you to easily tile multiple applications across one or

more screens with 38 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities.

Seamless transitions: The auto-restore feature remembers where you left off, so applications will go back to where you left them, even after you've unplugged.

The key to convenience: Shortcut keys can save you even more time, letting you easily configure your display management settings so you can get to work faster.

More ways to manage: Asset management reports allow IT managers to quickly capture and track monitor information as well as configure multiple monitors at once through a single setup.

Green thinking for today and tomorrow

Environmental standards: This monitor meets the latest regulatory and environmental standards such as EnergyStar®, EPEAT® Gold and TCO Certified Edge.

Eco-conscious packaging: To reduce our manufacturing impact on the environment, this monitor is shipped Styrofoam-free and the packaging is made of at least 75% recycled cardboard.

Energy conservation: Save energy when your monitor is not in use with PowerNap, a feature that dims or puts your monitor to sleep when it's not in use.

Advancing sustainability: Dell Technologies is committed to reducing environmental impact throughout the product lifecycle. Read more about our commitment to sustainability and our 2030 Social Impact goals here, and our product's carbon footprint here.
