

Dell 27 Inch FHD Computer Monitor – P2722H

Description

Dell 27 Inch FHD Computer Monitor – P2722H

Features & Design

P Series Family

A better view from anywhere

Comfort without sacrificing color: Optimize eye comfort with Comfort View Plus, an always-on, built-in screen that

reduces potentially harmful blue light emissions while delivering excellent color accuracy.

Color consistency comes standard: See consistent, vibrant colors across a wide viewing angle enabled by In-Plane

Switching (IPS) technology. With 99% sRGB coverage, you get precise color right out of the box.

Sleek, stylish and organized: Hide cords in the monitor riser to keep things organized. This sleek monitor has a three-sided

ultrathin bezel, small base, and an improved, easy-to-use cable management system.

Comfort is key: Tilt, swivel, pivot and adjust the height of your monitor (150mm height adjustment range) for extra comfort during work.

Designed with you in mind: Snap on the Dell Slim Soundbar (SB521A) and elevate your listening experience.

Connect to productivity

Extensive connectivity: Easily connect to a variety of devices with extensive connectivity ports, including DisplayPort,

HDMI, VGA and 4x SuperSpeed USB 5Gbps.

Quick-access ports: Easily share and deliver content via quick-access ports conveniently placed at the front of the display.

Dell Display Manager

Productive at every level: Easy Arrange allows you to easily tile multiple applications across one or more screens

with 38 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities.

Seamless transitions: The auto-restore feature remembers where you left off, so applications will go back to

where you left them, even after you've unplugged.

Green thinking for today and tomorrow

Environmental standards: This monitor meets the latest regulatory and environmental standards such as

EnergyStar[®], EPEAT[®] Gold and TCO Certified Edge.

Eco-conscious packaging: To reduce our manufacturing impact on the environment, this monitor is shipped Styrofoam-free and the packaging is made of at least 75% recycled cardboard.
