Features & Design

Light. Durable. Beautiful.

- Latitude 7340 Ultralight is **the world’s smallest and lightest 13.3? premium commercial laptop** – ideal for busy professionals on the move.
- Latitude 7340 Ultralight laptop comes in a durable **ultralight magnesium chassis** and stunning River color.
- An **aluminum chassis** in Titan Gray color is also offered in a laptop or 2-in-1 form factor that lets you work your way in 4 different

modes –traditional laptop, tent, stand or tablet mode.

Designed to impress

- World’s first premium commercial laptop with optional **battery-saving Mini-LED backlit technology**, which reduces keyboard power

usage by up to 75% and increases battery life.

- New **16:10 aspect ratio** features 5% more productivity area.
- Optional **battery-saving display** consumes less power to help maximize battery run time.
- **ComfortView Plus options** are TUV-certified to reduce harmful blue light and keep your eyes comfortable while you work.
- **33% larger clickpad** with improved feel and more room for navigation.

Look and sound your best

Supertech Web Store

Best audio quality ever in a 7000 series, with two top-firing and two bottom-firing speakers, richer bass and 15% gen-over-gen improvement in loudness.

Optional 5MP IR camera with improved resolution for crisp and clear conferencing.

Intelligent audio uses neural noise cancellation to remove unwanted background noise on both ends of the call.

Better connected than ever

Supertech Web Store

- **Available Wi-Fi 6E** options make sure you're always connected at the industry's fastest speeds.
- **Bluetooth** allows you to connect to your favorite peripherals without dongles.
- **ExpressConnect** joins the best available network, prioritizes conferencing apps and delivers faster data and video downloads with the

world's first simultaneous multi-network connection.

Powerful security, privacy, and durability

- Catch and repel malicious activity before it compromises your system. The Latitude 7340's **built-in security features** – including a

fingerprint reader, Dell SafeID, Dell SafeBIOS,TPM chip, and lock slot – keep users protected and provide visibility to threats for swift action.

- Passes **MIL-STD 810H** tests.
- **SafeSupply Chain** solutions provide layers of security and integrity controls. Optional tamper-evident seals to protect PCs during transit

and a NIST-compliant hard drive wipe helps

businesses ensure their device has a clean slate before adding the company image.

- Optional **ExpressSign-in** detects your presence to wake your system and locks your PC when you walk away.
- Optional **Intelligent Privacy** features from Dell Optimizer help keep sensitive data private. **Onlooker detection** texturizes your screen when prying eyes are detected,

while **Look Away Detect** recognizes when your focus is elsewhere and dims to further protect privacy and save battery life.

Serious about sustainability

- **100% recycled or renewable packaging** with multipack options for even less waste.
- Innovative use of up to 42% **bio-based materials** in the bottom bumpers.
- **EPEAT Gold** registered.

Performance at your fingertips

Supertech Web Store

- **Thermal innovations** optimize performance while keeping your PC cool and quiet with new rear venting and user selectable thermal tables.
- **Intel vPro®**, an Intel® Evo™ Design, enables maximum productivity for the mobile professional. Powered by 13th Gen Intel® Core™ i5/i7 U-series processors.
- **Battery optimization** – ExpressCharge analyzes usage to extend run time and charge faster when you need a boost in power.

Advanced Charge prevents overcharging to extend battery life.

Optimized for the way you work

- **Intelligence built around you** – Automatically personalize and boost the performance of your Latitude and its entire ecosystem with Dell Optimizer, an AI-based

optimization software that learns and responds to the way you work.

- **Personalized performance** – Intelligence and machine learning elevate productivity by automating performance features across your entire ecosystem.
- Get **the world's most intelligent collaboration experience** with smart audio conferencing, connectivity and productivity features, all in one software.

- **Safe, Secure and Manageable** – Optimization and data collection follow a stringent process to ensure your privacy and security. Easily set up and customize Dell

Optimizer features with modular installation.
