Features & Design

Built to perform. Styled to impress.

The Inspiron 24 All-in-One is easy to use and designed with intention. This sleek desktop offers a front screen experience that’s perfect for all your entertainment or productivity needs.

Stunning screen. Clean design.

Eye comfort
This All-in-One display features ComfortView Plus to help reduce harmful blue light and a flicker-free panel to optimize eye comfort.
FHD IPS Screen
The FHD IPS (in-plane switching) display features 99% sRGB within a narrow border so you can work, stream or game while enjoying a pleasant front screen experience.
Optimize workspace
Keep your area clutter free with an innovative stand that has the perfect keyboard parking space underneath the display.

Next-level entertainment

Connect to the desktop’s Bluetooth and immerse yourself in a rich audio experience that’s loud and clear through the built-in, dual 5W speakers and Dolby Atmos spatial sound. Customize your

preferences with Waves MaxxAudio® Pro.

Picture perfect

Put your best face forward, even in high-contrast lighting, with Wide Dynamic Range on this FHD camera with a tilt feature that's adjustable up to 20°. When you're ready for privacy, simply push the pop-up camera down to hide it.

Flexible use

Enjoy a seamless experience with the latest Intel® 13th Gen Processors and up to 512 SSD.

Stay connected with WiFi 6E capability and five USB ports.

Expand your productivity with HDMI-in/HDMI-out ports that allow you to connect to a separate PC and use this one as a secondary monitor.
