Description

Dell All in One Optiplex 7410 Intel® Core™ i7-13700 8GB 512GB SSD Touch FHD
Arabic Windows 11 Pro 3 Year

Features & Design

Intelligence meets simplicity

Intelligent desktops for every workstyle

Find your OptiPlex in just two steps: Select your form factor, then choose the right features for the job.

Simplified management: Our OptiPlex desktops with 13th Gen Intel® core processors feature one BIOS for All-in-Ones and one BIOS across Towers, Small Form Factors and Micro Form Factors.

Collaboration at your fingertips

Intelligent Audio

Automatically adapts dual-speaker and mic levels to your surroundings and eliminates background noise.

Optional pop-up 5MP IR camera

A 5MP camera with IR and Proximity Sensor with a lower, slightly tilted profile that ensures user is front and center during video calls.

Low Blue Light certification

Work comfortably all day, and night. Available on Touch and Non-touch panels.

Look sleek, save space

Aesthetics are in: Choose a sleek silver or dark gray design with ergonomic stand options.

Adjusts to you: Easily adjust your screen up and down with our All-in-One Height Adjustable Stand.

Everything at your finger tips: Choose a touch or non-touch screen.

Upgraded inside and out: Expand your performance with up to 1 TB SSD storage drives and optional AMD discrete graphics.

Work smarter

Get ahead: Dell Optimizer Express Sign-In enables User Presence Detection with wake-on-approach so you can get to work faster than ever.

Stay secure: Protect your desktop and data when you leave your workspace with walk away lock.

Easy on IT: Intel vPro® platform options deliver modern management capabilities and hardware-enhanced security.

Enhancements that lead to advancements

One BIOS

OptiPlex All-in-Ones with 13th Gen Intel® core processors feature one BIOS across All-in-One configurations.

13th Gen Intel® Core™ processors

Engineered to increase your productivity.

Dell Optimizer Built-in AI

Intuitive, personalized productivity.

OptiPlex 30th Anniversary

30 years of desktop innovation.

Smart and secure

Part of the Dell Trusted Devices portfolio: OptiPlex offers protection before-, below-, and above-the-OS ensuring a

comprehensive defense framework to evolving threats.

Part of the Dell Cloud Client Workspace portfolio: Instantly connect to virtual workspaces with OptiPlex All-in-One,

now available as a thin client solution. Confidently access VDI environments with versatile thin client software options,

including Dell Hybrid Client. All powered by Cloud Client Workspace.

Dell Optimizer

Intelligence built around you: Automatically personalize and boost the performance of your system and its entire ecosystem

with Dell Optimizer, an AI-based optimization software that learns and responds to the way you work.

Personalized Performance: Intelligence and machine learning elevate productivity by automatically personalizing performance f

eatures across your entire ecosystem, making them the world's most intelligent PCs.

Intelligent Collaboration: Get the world's most intelligent collaboration experience with smart audio conferencing,

connectivity and productivity features – all in one software.

Advancing Sustainability

OptiPlex was our first product to be made with recycled plastic in 2007 and the first to use materials from our closed-loop supply chain in 2014. Today,

OptiPlex All-in-One desktops contain up to 43% recycled material, are EPEAT registered, and are Energy Star certified.

IT Made Simple

Upgrade your employee experience with our flexible device and lifecycle solutions, available for a predictable monthly price.

Dell APEX Managed Device Service: Easily scale your new Dell devices with this all-inclusive subscription designed to

relieve the burden of day-to-day support and PC management.

Dell APEX PC-as-a-Service: Modernize your IT department with customizable plans on hardware and lifecycle solutions with no upfront investment,

flexible terms, and a predictable monthly payment.

Stay Secure, Be Productive

Start secure. Stay Secure. Organizations report a 58% drop in security incidents with Windows 11 Pro devices.

Windows 11 Pro devices help you simplify your workday and improve productivity. Switch seamlessly between locations. Blaze through your

to-do list with AI-powered multitasking, features to get organized in a snap, and performance to speed demanding

workloads to completion 42% faster on average.
