

Dell Inspiron 5410 All-in-One Intel Core i7-1255U 16GB RAM 256GB SSD +1TB HDD GeForce MX550 2GB Windows 11 Home 1 Year

Description

Dell Inspiron 5410 All-in-One Intel Core i7-1255U 16GB RAM 256GB SSD +1TB HDD GeForce MX550 2GB Windows 11 Home 1 Year

Features & Design

A stunning screen on a stylish PC

The choice between a sleek, slim do-it-all PC in Pearl White is yours. The whole family will be competing for screen time, thanks to it's narrow 4-sided borders and a FHD IPS display with 99% sRGB coverage and blue light reducing ComfortView Plus.

Made for video chatting

A FHD pop-up camera that puts your best face forward every time. What's even better? The camera disappears when you're ready for downtime. Plus, with Wide Dynamic Range, you'll see your video chats in a whole new light.

Built for tons of entertainment, storage and more

This All-in-One features the latest Intel® 12th Gen Processors with multiple storage options to choose from for all your files, photos and videos. With 5 USB ports and Wifi 6E capability, you'll stay connected and never be caught waiting on an unstable signal. Expand your productivity with HDMI-in/HDMI-out ports that allow you to connect to a separate PC and use this one as a secondary monitor.

Their latest. Our greatest.

Together, Windows 11 and Dell PCs create a best-in-class experience.

An inspiring new look and feel makes for a calmer desktop. Snap assistant helps focus your workflow while desktops allow you to organise your open windows.

Call, chat, and make plans come to life with Teams on Windows 11 right from your PC regardless of what computer or phone or tablet they are on

Starting weight: Touchscreen 5.59 kg (12.32 lbs.), Non-Touchscreen 5.57 kg (12.27 lbs.)
