Features & Design

Operating system

Available with Windows 11.

Welcome to a new age of intelligence

ExpressConnect
Experience seamless Wi-Fi. ExpressConnect automatically joins the strongest access points in the office and prioritizes
bandwidth for conferencing applications, wherever you work.
ExpressResponse
Prioritise your most important apps, so they open faster and perform better.
ExpressCharge
Dell Optimizer extends runtime and improves battery performance by adapting to your patterns and charging up to 80% in an hour.
Intelligent Audio
Collaborate like you’re in the same room. Intelligent Audio enhances your audio quality and reduces background noises,
so you can hear and be heard, creating a better conference experience for all.

Essential features for any business

Fast performance: Up to 11th Gen Intel® TGL-U Celeron Core™ i7 processors offer businesses the

performance,
manageability, built-in security features and stability of Intel® and align to a future-proof roadmap.
Download and smoothly run graphic-intensive applications with optional NVIDIA MX450.
Connect anywhere: Seamlessly work on the go thanks to and eSIM technology and optional LTE mobile
broadband speeds up to 450Mbps. Intel® Wi-Fi 6 capability provides reliable connectivity,
fast speeds and next-gen security to PCs and wireless networks.
Ports for any purpose: Compatible with more monitors and accessories, with a full range of available ports,
including USB 3.2 Gen2 Type-C port and legacy ports like HDMI and RJ45.
Start quickly: Start up instantly with a fingerprint reader built into the power button.
Power through: Drive efficiency with low-density, 3C and 4C battery pack options.

Modern design to boost productivity

Stunningly designed: Our Latitude 3420 is smaller and lighter, with a new darker finish, polished sidewalls and thin bezel.
Upgraded keyboard: The larger edge-to-edge keyboard, keycaps, and 18% larger touchpad make typing and navigation easier than ever. Plus, the backlit keyboard provides the flexibility needed to work anytime from anywhere.
Enhanced display: Gain a brighter view with up to 300 nit Full HD display panels.
Privacy shutter: Available with a mechanical privacy camera shutter for added security.
Our commitment to sustainability: Our systems are EPEAT Gold Certified ensuring Latitude is a purchase you can
feel good about. Plus, choosing Energy Star compliant systems not only saves you money, but also reduces
emissions associated with electricity production.
Windows 11 Pro – designed for hybrid work.
The most productive and secure version of Windows yet—but simple for IT.
