Features & Design

Always camera ready

Look your best on conference calls thanks to simultaneous multi-exposure High Dynamic Range (HDR). Available on configurations with an FHD or FHD IR camera, HDR technology takes several pictures simultaneously and blends them to accurately capture image detail in challenging lighting conditions, such as windowed offices and conference rooms.

Modern design to boost productivity

Sleek design: Latitude 3450 is a small laptop that comes in a soft charcoal colour with a refined texture for a modern look.?

Built for productivity: Premium-feel keyboard with durable, laser-etched key prints delivers long key travel for enhanced comfort. ?

Comfortable touch: The clickpad has a glass-like feel that provides a more comfortable experience.

Created for combining forces

Crystal clear audio: Intelligent audio removes background noise on both ends of the call, while Dynamic Volume adjusts your PC speaker volume so you can hear your call clearly over unexpected noises.

Look your best: Choose between multiple camera options up to FHD+IR, now with HDR technology and TNR4.

Create the perfect view: Enjoy a wide array of display options, including FHD touch and a battery life saving option.

Experience uncompromised connectivity

High-speed connections: Available Wi-Fi 6E ensures you're always connected at the industry's fastest speeds.

Productivity anywhere: Network Optimisation joins the best available network, prioritises conferencing apps and delivers fast data and video downloads with the world's first simultaneous multi-network connection.

Confidently confidential

Layered security: The industry's most secure commercial PCs offer Dell SafeID, Dell SafeBIOS, fingerprint readers, TPM chip and lock slot options and pass MIL-STD 810H tests.

Seamless sign-on: Sign-in securely and effortlessly with the optional Windows Hello supported FHD-IR camera.

Peace of mind: Control your privacy with the mechanical camera shutter and mic mute button right at your fingertips.
