

Dell Latitude 5440 Intel Core i5-1335U 8GB RAM 256GB SSD DOS English 1 Year

Description

Dell Latitude 5440 Intel Core i5-1335U 8GB RAM 256GB SSD DOS English 1 Year

Features & Design

Maximum performance and scalability

- **Enable maximum productivity** in more places and additional built-in hardware security with Intel vPro[®], running on 13th Gen Intel[®] Core[™] processors in either U-series or P-series.
- **Fast response time** and improved performance with optional DDR5 memory up to 64GB.
- **Advanced thermals** with new larger fans that keep your device cool and quiet.
- **Next-gen batteries** with ExpressCharge analyze usage to extend run time and charge faster when you need a boost in power. Advanced Charge prevents overcharging to extend battery life.
- **NVIDIA[®] MX550 discrete graphic card** options accelerate your laptop performance.

Ultimate security to work from anywhere

- **The industry's most secure commercial PCs**, offering Dell SafeID, Dell SafeBIOS, fingerprint readers, TPM chip and lock slot options are tested and pass MIL-STD 810H tests
- **Intelligent privacy features** from Dell Optimizer help keep sensitive data private

- **Onlooker detection** notifies you when someone is peering at your screen and will texturize your screen
- **Look Away Detect** knows when your focus is elsewhere and dims to further protect privacy and save battery life
- **ExpressSign-in** detects your presence and wakes up your system and locks your PC when you walk away
- **SafeSupply Chain solutions** provide layers of supply chain security and integrity controls
- **Optional tamper-evident seals** to protect PCs during transit and a NIST-compliant hard drive wipe helps businesses ensure their device has a clean slate before adding the company image

Innovating with sustainability

?Our most sustainable commercial PC developed with 64% more recycled and renewable plastics by weight than our previous generation modelsMade with 18% recycled and renewable plastic

100% recycled and renewable packaging with multipack options for even less waste

Innovative use of **bio-based, ocean-bound and post-consumer recycled plastics** throughout your device

EPEAT Gold registered

Created for combining forces

- **Intelligent Audio** removes background noise and echoes on both ends of the call, and Voice

Quality Monitoring lets you know when your voice quality is poor.

- **Enhanced FHD+IR camera** developed to reflect and accentuate your reality with picture-perfect accuracy.
- **Work from anywhere** with outstanding battery life and choice of various battery options up to 54Whr.

Experience uncompromised connectivity

- **Available Wi-Fi 6E or 5G options** make sure you're always connected at the industry's fastest speeds.
- **ExpressConnect** joins the best available network, prioritizes conferencing apps and delivers fast data and video downloads with the world's first simultaneous multi-network connection.
- **Quickly connect to peripherals** with a broad range of ports including 2x USB Type C Thunderbolt™ 4.0 and HDMI 2.0.

Work with incredible views

Optimized 16:9 screen with optional battery saving and ComfortView Plus display to maximize performance and keep your eyes comfortable.

Wide array of panel choices including optional FHD Non-Touch 400 nit panel and FHD Touch 300 nit panel.

New premium clickpad with improved feel for better productivity.
