Features

Operating System

Available with Windows 11 or Windows 10.

Welcome to a new age of intelligence

ExpressConnect
New ExpressConnect automatically joins the strongest access point in the office and directs bandwidth to critical applications, wherever you work.**ExpressResponse**
Prioritise your most important apps, so they open faster and perform better.**ExpressSign-in**
Get to work fast with our PC proximity sensor enabled by Intel® Context Sensing Technology that detects your presence to instantly wake and log you in via the IR camera and Windows Hello, all without lifting a finger. It locks when you walk away, so your work stays safer.

ExpressCharge
Dell Optimizer extends runtime and improves battery performance by adapting to your patterns.

ExpressCharge Boost delivers up to 35% charge in about 20 minutes, or up to 80% charge in an hour with ExpressCharge.

Intelligent Audio
Collaborate like you’re in the same room. Intelligent Audio enhances your audio quality and reduces background noises, so you can hear and be heard, creating a better conference experience for all.

Stylishly innovative

Maximize productivity: Available 4K or FHD display with 400 nits also features Comfort View Plus, an always-on, built-in low blue light solution that reduces harmful blue light while delivering excellent color. TÜV Rheinland certified.

The feeling of premium: Modern Pro keyboard design and new touchpad with quiet click and larger surface area offer more precision and comfort.

Modern design your way: Choose a versatile 2-in-1 offered in carbon fiber.

Commitment to sustainability: Dell pioneered the use of reclaimed carbon fiber in PCs, and through an innovative process, we utilize even more in our 7000 Series. The result? A lighter PC with more recyclable carbon fiber. We switched to low VOC waterborne paint on 100% of painted parts, which aims to create a healthier work environment. EPEAT Gold registered.
