**Features & Design**

**AI-performance at your fingertips**

**A new way of computing:** The new Intel® Core™ Ultra processor delivers the next generation of hybrid architecture for supercharged computing
with a battery that lasts. Thanks to a three tier multi-processing unit, business users can manage complex workloads by sending the right task
to the right engine at the right time. A CPU manages lightweight low-latency AI tasks, a GPU manages media and visual AI rendering, and an NPU,

a dedicated AI engine, manages sustained AI and AI offload.

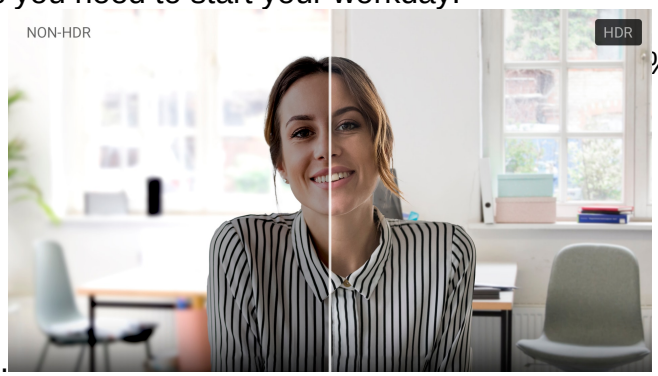

**AI-accelerated apps:** An NPU helps apps run fast and smooth for efficient:A CPU manages lightweight low-latency AI tasks, a GPU?

Collaboration: Use up to 38% less power when utilizing AI-enhanced collaboration tools during Zoom calls.

Creativity: 132% faster performance when running on-device AI photo editing on Adobe.

**Copilot Hardware Key:** Effortlessly jumpstart your workflow with the Copilot Hardware Key on your device, saving you time by

providing quick access to the tools you need to start your workday.

**Exceptional battery life:** The Latitude 7450 with 

% longer on average than the previous generation.

**Always camera ready**

Look your best on conference calls thanks to simultaneous multi-exposure high dynamic range (HDR). Available on configurations
with an FHD or FHD IR camera, HDR technology takes several pictures simultaneously and blends them to accurately
capture image detail in challenging lighting conditions, such as windowed offices and conference rooms.

**Ultralight upgrade**

**Moves with you:** Latitude 7450 Ultralight is the world's lightest 14? premium commercial laptop – ideal for busy professionals on the move.

**Sleek design:** Latitude 7450 Ultralight comes in a durable magnesium chassis in a stunning River Blue color.

**Convenient controls:** Only on Ultralight configurations, the Collaboration Touchpad is now available on the Latitude 7000 series.

Avoid fumbling around in meetings with conferencing icons right at your fingertips. Now you can quickly access Zoom and Microsoft
Teams features directly on your touchpad – including mic, camera, share screen and mute actions.

**Designed to impress**

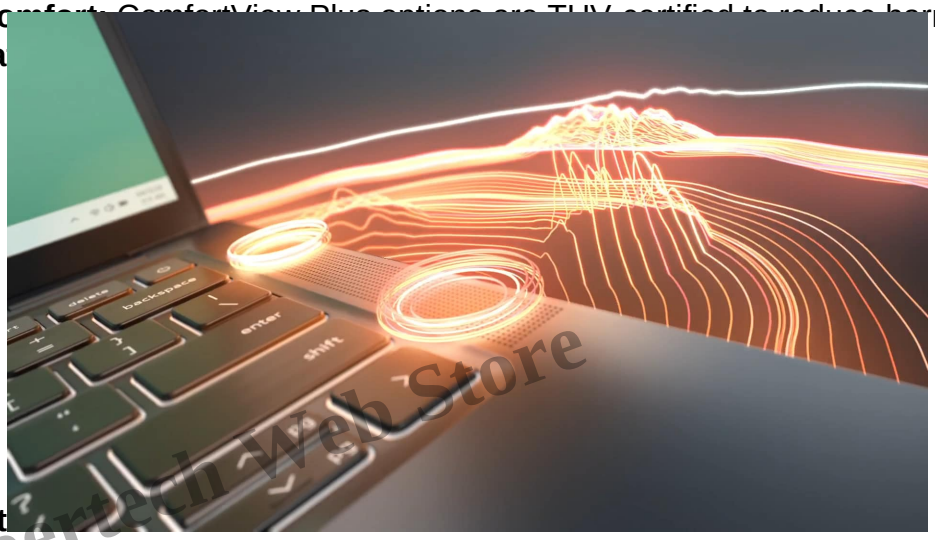

**Work your way:** In addition to the Ultralight chassis, the Latitude 7450 offers an aluminum chassis option in Titan Gray**.**
On the aluminum chassis, you can also select between a laptop or 2-in-1 form factor that lets you work

in 4 different modes – traditional laptop, tent, stand or tablet mode.

Built for efficiency: World’s only premium commercial laptop with optional battery-saving Mini-LED backlit technology,

which reduces keyboard power usage by up to 75% and extends battery life by up to 2.93 hours.

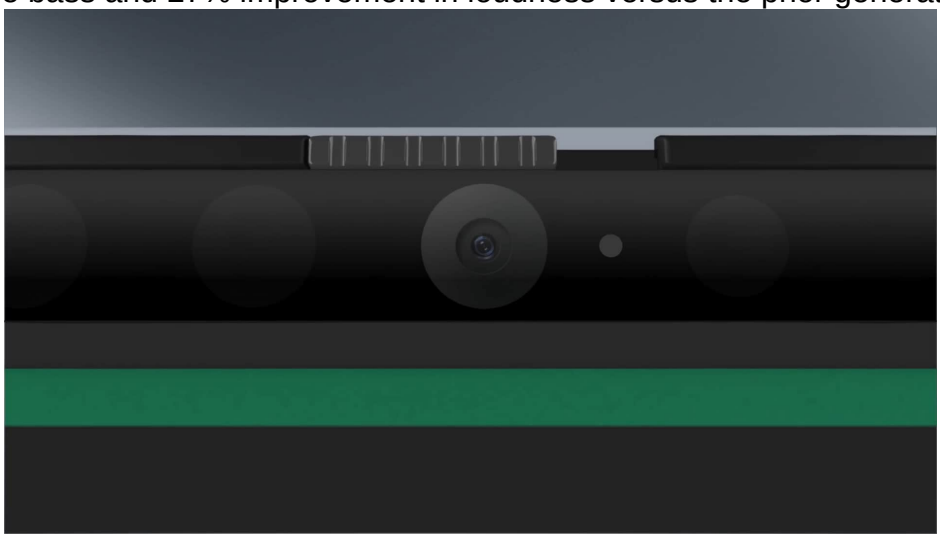

**Stunning views:** The 16:10 aspect ratio features 5% more productivity area vs a 16:9 aspect ratio display.**Battery optimization:** Optional battery-saving display consumes less power to help maximize battery run time.**Designed for co**mfort: ComfortView Plus options are TUV certified to reduce harmful blue light.**Thoughtfully cra**

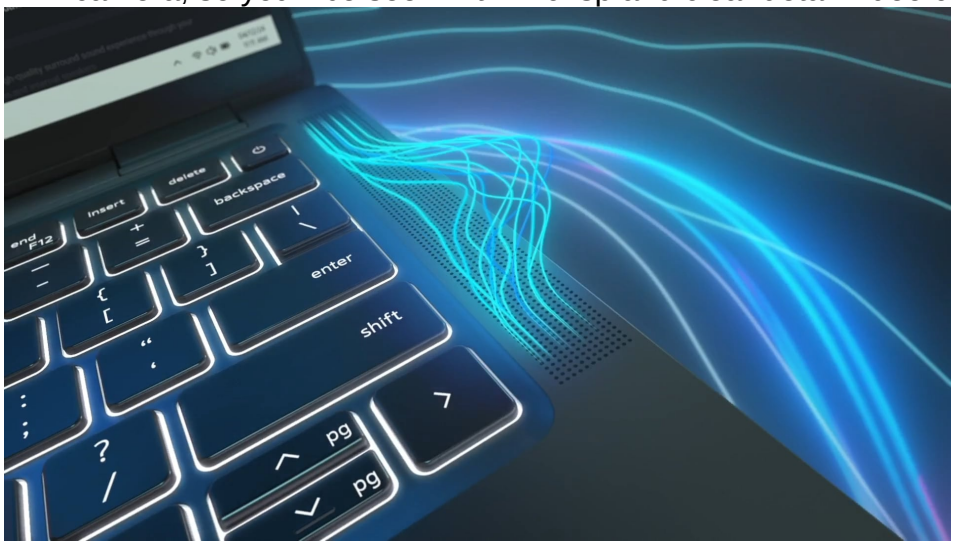

**Look and sound your best**

Supertech Web Store

Exquisite sound quality with two top-firing speakers and two bottom-firing speakers, rich bass, and loud audio, up to 26%
more bass and 27% improvement in loudness versus the prior generation.

Optional 5MP IR camera, so you'll be seen with in crisp and clear detail video conferencing.

Intelligent audio uses neural noise cancellation to remove unwanted background noise on both ends of the call.

**Better connected than ever**

Supertech Web Store

**Fast connectivity:** Stay connected at the industry's fastest speeds with a WiFi 7 capable wireless card.

**Productivity anywhere:** Stay connected on the go with optional mobile broadband connectivity – select from either 5G or 4G LTE wireless cards.

**Smart about security and privacy**

**The industry's most secure commercial PCs** offer Dell Safe ID with a dedicated security chip to store and process fingerprint reader credentials,

Dell SafeBIOS, TPM chip and lock slot options and pass MIL-STD 810H tests.

**SafeSupply Chain solutions** provide layers of security and integrity controls. Optional tamper-evident seals to protect PCs during

transit and a NIST-compliant hard drive wipe helps businesses ensure their device has a clean slate before adding the company image.

Optional **ExpressSign-in** detects your presence to wake your system and locks your

PC when you walk away.

Optional **Intelligent Privacy** features from Dell Optimizer* help keep sensitive data private. **Onlooker Detection** texturizes

your screen when prying eyes are detected, while **Look Away Dim** recognizes when your focus is

elsewhere
and dims to further protect privacy and save battery life.

**Serious about sustainability**

Latitude 7450 is made with 50% low emissions and 50% recycled aluminum in chassis.

Latitude 7450 Ultralight is made with 90% recycled magnesium in chassis.

This year, the new generation of Latitude laptops will start shipping with 50% recycled cobalt in batteries.

100% recycled or renewable packaging with multipack options for even less waste.

Latitude 7450 is ENERGY STAR® 8.0 certified, TCO certified Generation 9, and **EPEAT Gold** registered with Climate+.

**Modern Workforce Solutions**

Supertech Web Store

Accelerate anywhere work experiences by modernizing how you deploy, manage and support devices with PC as a Service.
Leverage both the built-in protections of the industry's most secure commercial PCs and software protections for advanced threats to help ensure a trusted workspace under a predictable price per month.

**Accelerate business success with Copilot and Windows 11 Pro**

Industry-leading AI. Powerful cybersecurity. Designed for business.
AI-powered multi-tasking mastery for a new way of working with Windows 11 Pro. With features like Copilot in Windows,
get better answers, grow your skills, and effortlessly optimize workflows. Windows 11 Pro on Dell PCs come with the
latest advances in security and AI delivered conveniently to your desktop. Benefit from AI-enhanced efficiency, performance,

and security today, and innovate to take on new challenges tomorrow.

**Ports & Slots**

1. Optional external uSIM card tray (WWAN configurations only)
2. Universal audio jack
3. 2xUSB 3.2 Gen 1 Type-A
4. Wedge-shaped lock slot
5. HDMI 2.1
6. 2x Thunderbolt™4.0 with Power Delivery & DisplayPort
7. Optional contacted SmartCard reader (available on aluminum chassis only)

**Dimensions & Weight**

**Ultralight Laptop**
1. Height: 0.71 in. (17.95 mm)
2. Width: 12.32 in. (313.00 mm)
3. Depth: 8.67 in. (220.20 mm)
Starting Weight: 2.33 lb (1.058 kg)**Aluminum Laptop**
1. Height: 0.72 in. (18.21 mm)
2. Width: 12.32 in. (313.00 mm)
3. Depth: 8.77 in. (222.80 mm)
Starting Weight: 2.92 lb (1.33 kg)

**Aluminum 2-in-1**
1. Height: 0.72 in. (18.21 mm)
2. Width: 12.32 in. (313.00 mm)
3. Depth: 8.77 in. (222.80 mm)
Starting Weight: 3.36 lb (1.53 kg)
