

DELL DESKTOP OPTIPLEX 7000 SFF Ci7 12700 8GB 1TB SSD DOS 3 YEAR CUS

Description

DELL DESKTOP OPTIPLEX 7000 SFF Ci7 12700 8GB 1TB SSD DOS 3 YEAR CUS

The **Dell OptiPlex 7000 SFF** is engineered for efficient business computing, featuring an Intel Core i7-12700, 8GB DDR4 RAM, 1TB SSD, and DOS OS. Its small form factor saves space without compromising performance. Backed by a 3-year warranty, now available at **Supertech**, your trusted Dell distributor in the UAE.

Features

Designed around you

The right look: Modern designs allow the OptiPlex 7000 Towers to fit in beautifully in any modern workspace.

Sustainably built: Contains up to 60% post-consumer recycled materials to minimize environmental impact.

Simplify upkeep: Now easier to maintain thanks to tool-less service without removing the bezel.

Made to work as hard as you

Powered up: Windows 11 Modern Standby provides an instant on/instant off experience, offering constant connectivity.

Take on any task: Built with 12th Gen Intel® Core™ processors with new Hybrid Core technology to free space for more complex workloads.

Improved VR capabilities: OptiPlex 7000 Towers bring richer views and more engaging VR experience supporting up to NVIDIA® GeForce® 3070.

High-speed access: New Wi-Fi 6E support provides greater network flexibility, faster transfers and

reliable connections for secure collaboration.

Achieve more every day

Increased productivity: Accomplish more with multitasking via DDR5 memory, available on the OptiPlex 7000 Tower, ideal for transitioning smoothly between workload-intense applications.

Broaden your horizons: Intel® 12th Gen integrated graphics with support for up to 4 independent displays.

Next-gen connectivity: Now connect two 4K monitors with the option of a Thunderbolt 4 Add-in Card, available only on the OptiPlex 7000 Tower.

***Features shown below may not be available on all products. Please refer to product details page for specific product features.**

***Image is for illustrative purposes. Actual touchpad has four haptic sensors.**
