Get the most out of your OptiPlex

Immersive workflow: Work without interruption with devices that seamlessly connect and interact.

Seamless collaboration: Your OptiPlex workspace pairs perfectly with Dell Wireless Headset, Dell

Speakerphone and Dell Ultrasharp webcam.

Stunning views: Experience 5K resolution with optional DisplayPort.

Upgraded inside and out: Dell Optimizer, Intel vPro, and Modern Standby now available across entire lineup.

Enhancements that lead to advancements

One BIOS

OptiPlex desktops with 13th Gen Intel® core processors feature one BIOS across Towers, Small Form Factors and Micro Form Factors.

13th Gen Intel® Core™ processors
Engineered to increase your productivity.

Dell Optimizer Built-in AI
Intuitive, personalized productivity.

OptiPlex 30th Anniversary
30 years of desktop innovation.

Easy to manage

Seamless startup: Prepared with out-of-Box Remote BIOS Management and HDD Wipe for simplified management across the OptiPlex portfolio.

Easy on IT: Intel vPro® platform options deliver modern management capabilities and hardware-enhanced security.

Save time: Tool-less chassis provides easy access for service, maintenance, and upgrades.

Smart and secure

Part of the Dell Trusted Devices portfolio: OptiPlex offers protection before, below, and above-the-OS ensuring a comprehensive defense framework to evolving threats.

Trusted security: Keep your system safe with Firmware TPM, security lock, Intrusion switch, and cable covers.

Dell Optimizer

Intelligence built around you: Automatically personalize and boost the performance of your system and its entire ecosystem with Dell Optimizer, an AI-based optimization software that learns and

responds to the way you work.

Personalized Performance: Intelligence and machine learning elevate productivity by automatically personalizing performance features across your entire ecosystem, making them the Dell's most intelligent PCs.

Intelligent Collaboration: Get the Dell's most intelligent collaboration experience with smart audio conferencing, connectivity and productivity features – all in one software.

Safe, secure and manageable: We ensure optimization and data collection follows a stringent process to keep your information safe. Any data we do gather is analyzed locally on your system to improve your personal PC experience.

Advancing Sustainability

OptiPlex was our first product to be made with recycled plastic in 2007 and the first to use materials from our closed-loop supply chain in 2014. Today, OptiPlex Tower desktops contain up to 48% recycled material, including closed-loop plastic. They are also EPEAT Gold registered and Energy Star certified.

Dell APEX PC-as-a-Service

Accelerate anywhere work experiences with customizable plans to help you deploy, manage, support devices. Leverage both the built-in protections of the industry's most secure commercial PCs and software protections for advanced threats to help ensure a trusted workplace for a predictable price per month.

Stay Secure, Be Productive

Start secure. Stay Secure. Organizations report a 58% drop in security incidents with Windows 11 Pro devices.

Windows 11 Pro devices help you simplify your workday and improve productivity. Switch seamlessly between locations. Blaze through your to-do list with AI-powered multitasking, features to get organized in a snap, and performance to speed demanding workloads to completion 42% faster on average.
