Connect to productivity

Extensive connectivity: Easily connect to your devices with comprehensive connectivity, including DP, HDMI and super speed USB 10Gbps. Quick access ports at the front of the monitor allow convenient connection to peripherals and mobile phone charging with up to 15W via USB-C.

Fast connections: USB super speed 10Gbps ports enable faster data speed transfers between the

PC and peripheral devices connected to the monitor.

The perfect fit for any space

Style meets function: Crafted with premium platinum silver finish, the U2422H comes with a small base and an improved cable management design that hides cables in the monitor riser for a clutter free desk space. Navigate and adjust your monitor screen settings with the easy-to-use joystick control.

Moves with you: Adjust to your comfort with tilt, swivel, pivot and height adjustment to a maximum of 150mm for optimal viewing comfort.

Green thinking: for today and tomorrow

Environmental standards: This monitor is made of 85% PCR (Post-consumer Recyclable Plastic), meets the latest environmental standards such as ENERGY STAR® and TCO Certified Edge, and is EPEAT Gold registered.

Eco-conscious packaging: To reduce our manufacturing impact on the environment, this monitor is shipped Styrofoam-free and the packaging is made of at least 75% recycled cardboard.

Dell Display Manager

Productive at every level: Easy Arrange allows you to easily tile multiple applications across one or more screens with 38 pre-set window partitions and the ability to personalize up to five windows, giving you improved multitasking abilities.

Seamless transitions: The auto-restore feature remembers where you left off, so applications will go back to where you left them, even after you've unplugged.
