

Dell UltraSharp 24 USB-C® Hub Monitor – U2424HE

Description

Dell UltraSharp 24 USB-C® Hub Monitor – U2424HE

Features & Design

World's first 4-star certified monitor for eye comfort*

Experience a new level of comfort and productivity.

Unparalleled visual comfort

Ambient Light Sensor: A built-in Ambient light sensor intelligently optimizes brightness and color temperature based on your surroundings.

Improved ComfortView Plus: Reduces harmful blue light emissions to ~35%, for all-day comfort without sacrificing color accuracy.

A smoother visual experience: A 120Hz refresh rate delivers less flicker, more seamless scrolling and smoother motion than 60Hz monitors.

Work vibrantly

Vivid color: Enjoy 1.07 billion colors and a wide color coverage across industry standards, including 85% DCI-P3, 100% sRGB and 100% BT.709. Get color calibration accuracy of Delta E < 2 (average) (sRGB, BT.709).

Connect to productivity

Stable connection: Enable fast Ethernet with speeds of up to 2.5GbE.

Streamline your workflow: A single USB-C cable transmits data and video signals while delivering up to 90W of power.

Reach peak productivity: Connect to two PC sources and Auto KVM will seamlessly switch controls over to the second connected PC.

Use KVM (keyboard, video and mouse) features to control both PCs with a single keyboard and mouse.

Extend your connectivity: Connect to more with DisplayPort 1.4, HDMI (HDCP 1.4)(supports up to FHD 1920 x 1080 120Hz TMDS as specified in HDMI 1.4), USB-A and USB-C ports that provide speeds of up to 10Gbps.

Connect with ease: Simply plug in accessories and devices with a quick access USB-A port and a USB-C port that delivers up to 15W of power.

Expand your perspective

Experience uncompromised picture quality by daisy chaining two monitors.

Designed for comfort

Fit your work style: Tilt, swivel, pivot and adjust the height of your monitor to work your way.

Stay focused on your work: Our InfinityEdge screen provides a virtually borderless experience.

Work beautifully: A premium platinum silver finish enhances any workspace.

Dell Display Manager

Easy management. Next-level productivity.

Improved multitasking: Organize your screen with Easy Arrange and save profiles with Easy Arrange Memory.

Easy navigation: Share a single keyboard, mouse and monitor between multiple PCs with USB KVM wizard. Quickly switch between PCs with the quick-access menu or hot keys.

Smooth deployment: Manage your fleet of monitors with features that are automatic, comprehensive and compatible with several tools.

Convenient customization: Quickly access your favorite features and functions with the menu launcher and hot keys.

Green thinking for today and tomorrow

Environmental standards: This monitor uses 85% PCR (post-consumer recyclable) plastic and 90% recycled aluminum in the design.

It meets the latest environmental standards such as EnergyStar® and TCO Certified Edge and is EPEAT® Gold registered.

Eco-conscious packaging: Dell monitors ship in boxes made with 100% renewable content that is also 100% recyclable.
