

Dell UltraSharp 27 Thunderbolt™ Hub Monitor – U2724DE

Description

Dell UltraSharp 27 Thunderbolt™ Hub Monitor – U2724DE

The **Dell UltraSharp 27 Monitor U2724DE** offers professional-grade color accuracy and versatile connectivity. Featuring a sharp **27" QHD (2560×1440) IPS display** and integrated **Thunderbolt Hub**,

it supports seamless multitasking and device charging.

Ideal for creatives and professionals requiring detailed visuals and efficient workflow, this monitor is available now at **Supertech Dubai**, your trusted Dell monitor supplier.

Unparalleled visual comfort

Ambient Light Sensor: A built-in Ambient Light Sensor intelligently optimizes brightness and color temperature based on your surroundings.

Improved ComfortView Plus: Reduces harmful blue light emissions to ~35%, for all-day comfort without sacrificing color accuracy.

A smoother visual experience: A 120Hz refresh rate delivers less flicker, more seamless scrolling and smoother motion than 60Hz monitors.

Work vibrantly

Superior image quality: This IPS Black panel technology monitor has deeper blacks and greater gray color level

accuracy, delivering exceptional contrast (2000:1) across a wide viewing angle.

Vivid, lifelike color: Enjoy 1.07 billion colors and a wide color coverage across industry standards, including 98% DCI-P3, 98%

Display P3, 100% sRGB and 100% BT.709. Get color calibration accuracy of Delta E < 2 (average) (sRGB, BT.709, Display P3, DCI-P3).

Connect to Productivity

Single-cable convenience: Thunderbolt 4 transmits data and video signals at speeds of up to 40Gbps and delivers up to 90W of power to your PC.

Stable connection: Enable fast Ethernet with speeds of up to 2.5GbE.

Reach peak productivity: Connect to two PC sources and Auto KVM will seamlessly switch controls over to the second connected PC.

Use KVM (keyboard, video and mouse) features to control both PCs with a single keyboard and mouse.

See more on one screen: View content from two PC sources with Picture-in-Picture (PiP) and Picture-by-Picture (PbP).

Extend your connectivity: Connect to more with DisplayPort 1.4, HDMI (HDCP 1.4)(supports up to QHD 2560 x 1440 120Hz TMDS, VRR as specified in HDMI 2.1), USB-A and USB-C ports that provide speeds of up to 10Gbps.

Connect with ease: Simply plug in accessories and devices with a quick access USB-A port and a USB-C port that delivers up to 15W of power.
