

Dell XPS 13 Laptop Intel Core i7-1250U 16GB RAM 512GB SSD 13.4 UHD Touch Windows 11 3 Year

Description

Dell XPS 13 Laptop Intel Core i7-1250U 16GB RAM 512GB SSD 13.4 UHD Touch Windows 11 3 Year

Supertech Web Store

The **Dell XPS 13 9315 i7** delivers premium performance and portability, featuring Intel Core i7-1250U, 16GB RAM, 512GB SSD, and a stunning 13.4? UHD touchscreen. Preloaded with Windows 11 and backed by a 3-year warranty, it's available now at **Supertech**, your trusted Dell supplier in the UAE.

Features

Operating system

Available with Windows 11.

The ultimate on-the-go laptop

Our thinnest and lightest 13-inch XPS is built for a lifestyle on the move. Expect long battery life from both panel options when streaming on the Netflix app for Windows 11: the FHD+ non-touch display offers up to 12 hours, and the 4K+ display gets you up to 7 hours.

echarge in less than an hour with ExpressCharge.

Awe-inspiring sights and sounds

Make your favorite shows more cinematic anywhere with louder sound and deeper bass, thanks to bigger internal speakers, and with vivid color on an optional 4K+ display.

Performance you need

Unlock 1.5x higher performance than the previous XPS 13 with the latest 12th Gen Intel® processors.

Customize your laptop’s performance to suit your need with the built-in Dell Performance application. Select from four different modes – Quiet, Ultra-Performance, Cool or Optimized.

Modern design

Supertech Web Store

The minimalist and durable design, constructed with machined (CNC) aluminum, is inspired by nature and comes in a choice of two colors, Sky and Umber. Tonal, muted, natural color minimizes contrast on the interior, for a timeless look and feel.

Fast and secure sign-on

A dual sensor camera separates infrared from RGB, improving picture quality, even in low light. Plus, ExpressSign-in paired with Windows Hello streamlines your login experience, detecting your presence—or lack thereof—to quickly and securely sign you in or out of your laptop.
