HP Desktop 290G4 Ci3-10100 4GB 1TB DOS

**Description**

HP Desktop 290G4 Ci3-10100 4GB 1TB DOS

Powered up processing

Help optimize performance with an Intel® processor, speedy graphics, generous memory, and PCIe x1 and PCIe x16 slots for future growth.

Progressive style

Three bays and two full-height slots, including PCIe x16 and PCIe x1 slots, provide expandability for the future.

Help keep data safe

Help protect your investment and your data with firmware or discrete TPM, HP DriveLock, and a physical security lock. Additional security is provided by an optional intrusion sensor and an integrated cable lock system to secure your cabled devices.

High performance, high portability

Help speed up demanding business applications with a 10th Gen Intel® Core™ processor.

Help secure critical data

The Trusted Platform Module (TPM) embedded security chip provides hardware-based encryption keys to help secure your data, e-mail, and user credentials.

Tons of storage

Store documents, images, videos and more of what you need with a 1 TB hard disk drive.
