Features

Crystal-clear speakers

Enjoy the crystal-clear audio performance delivered by HP Dynamic Audio and HP AI Noise Reduction.

Latest Intel® processor

Drive performance with the latest Intel® processor, on this globally available and easy-to-service laptop.

Protected by HP Wolf Security

HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense.

Upgrade to elite performance

High performance, high portability

Get the exceptional combination of responsive performance, connectivity and speed with a 12th Gen Intel® Core™ processor that lets you launch, create, and connect fast and reliably.

Look your best, even in low light

Optimize your video calls in low lighting with an HD camera and temporal noise reduction that lowers the effects of visual noise and pixelation.

Fast and efficient wireless LAN

The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit-speed Wi-Fi 6.

Automatic recovery from firmware attacks

Firmware attacks can completely devastate your PC. Stay protected with HP's self-healing BIOS – HP

Sure Start Gen7 automatically recovers the BIOS from malware, rootkits, or corruption.
