Exceptional mobility and performance

Supertech Web Store

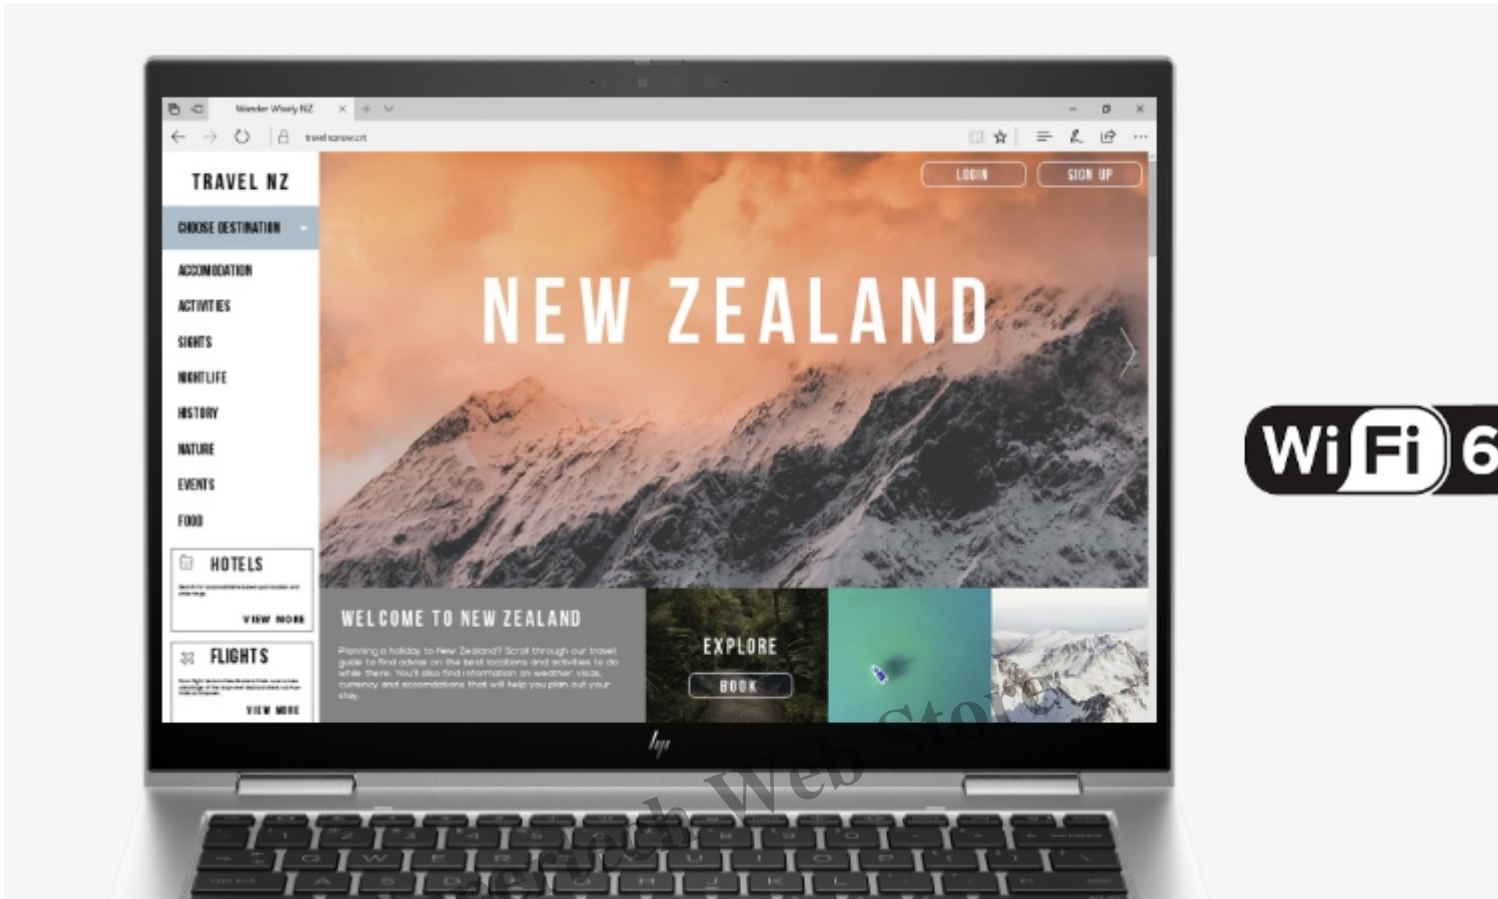

Impressive performance

Enjoy a cool and quiet PC with longer battery life and maximum performance with advanced technology processors.

HP Power Manager

Quickly monitor and manage your battery's performance and customise charging options with the easy-to-use HP Power Manager. *

Move and work freely

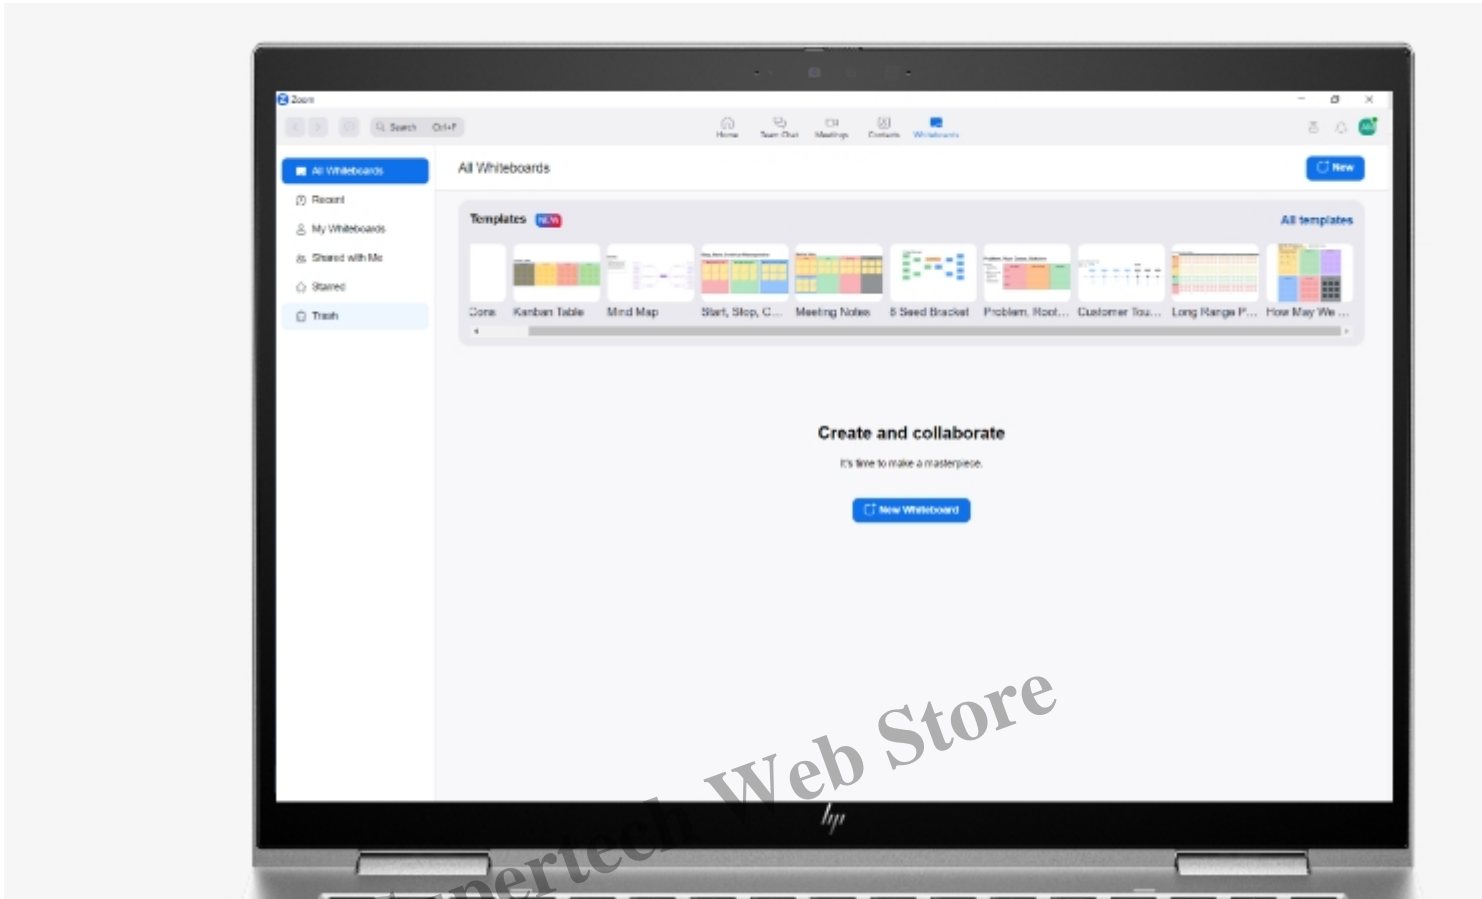

Get fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 6E.*

Navigate your way

Show your work or explore your creativity easily with an intuitive control touch screen or pair with the HP Rechargeable Active Pen for precise inking. *

Collaborate and engage

Clear whiteboarding while remote

HP Keystone Correction enhances document and whiteboard readability by automatically cropping and flattening the camera feed.

Be heard loud and clear

Filter out the noise by using AI Noise Reduction and voice leveling to optimise your voice clarity, along with audio smoothness by Bang & Olufsen.

Clarity and flexibility

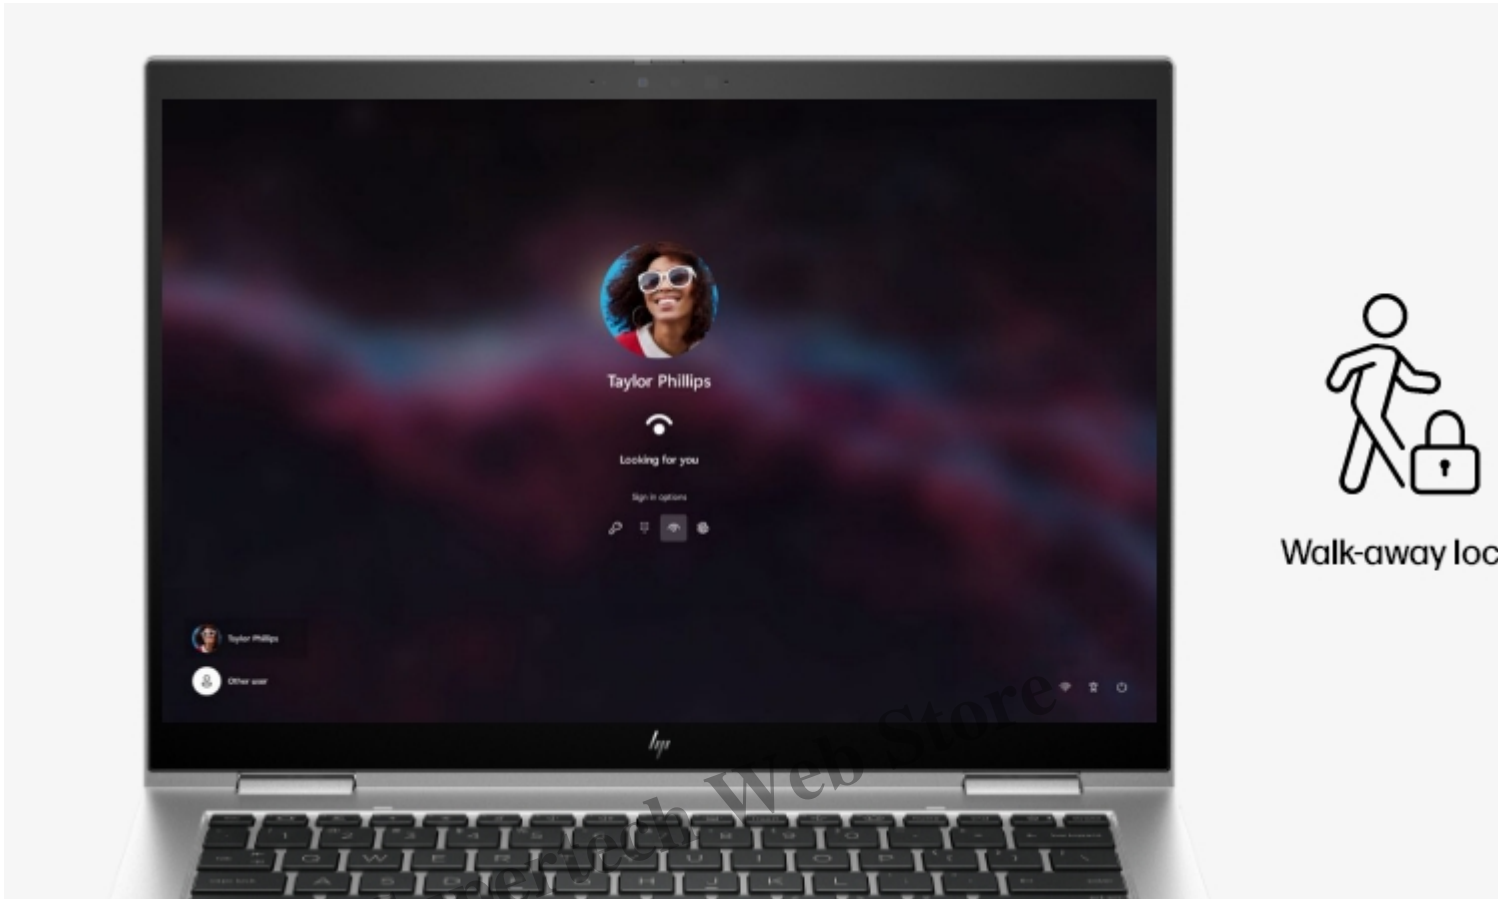

Enjoy freedom of movement and clarity during video calls with Auto Frame and background light adjustments. Easily take breaks by clicking 'Be Right Back'*

Bring authenticity to every meeting

Look sharp with a high-resolution 5MP camera and give yourself peace of mind with HP Sure Shutter which physically blocks your webcam with a simple slide.

Privacy & security

Auto Lock and Awake

Automatically lock your PC when you walk away and unlock it when you return, using wake-on presence detection for better privacy.

Protected by HP Wolf Security

Help protect your PC from modern threats with HP Wolf Security.

Thin and ultra-lightweight

Portability made easy

Designed to be thin and ultra-lightweight for comfortable and easy mobility.

Help protect our shared future

The enclosure is made from 90% recycled magnesium, recycled plastic bezel and keycaps, and 100% sustainably sourced packaging.
