Description

HP ProBook 440 14 inch G11 Intel Core Ultra 7 155U 8GB RAM 512GB SSD Fingerprint reader
English DOS: A22YBEA#BH5

The HP ProBook 440 Laptop is designed for hybrid productivity, offering a powerful solution for both home and office work. With its latest Intel® processor and enterprise-level security, the HP ProBook 440 14-inch Laptop ensures smooth performance and peace of mind.

Designed for hybrid productivity

Enhance productivity working from home or in the office with the 16:10 aspect ratio on a 14-inch display.

Latest Intel® processor

Keep up with demanding, deadline-driven tasks with the latest Intel® processor and long battery life.

Enterprise-level security

Safeguard your growing business with multi-layered, endpoint security features that help protect your PC and data.

Performance to stay productive from anywhere

Latest Intel® multi-core processor

Configure your HP ProBook CPU for the perfect combination of power, snappy performance, and value. The latest Intel® processor handles multiple work tasks smoothly and reliably with multiple processing cores to divide up the work.

Fast and efficient wireless LAN

The portability of your PC and the reliability of a fast connection determine where you can work. Get a fast and reliable connection in dense wireless environments with gigabit-speed Wi-Fi 6.

Browse confidently

Help protect your PC from websites and read only Microsoft Office and PDF attachments with embedded malware, ransomware, or viruses with hardware-enforced security from HP Sure Click.

HP Sure Sense

Malware is evolving rapidly beyond traditional antivirus capabilities. Protect your PC against never-before-seen attacks with HP Sure Sense, which combines behavioural analysis with advanced AI techniques to provide exceptional protection.
