

HP Spectre X360 2-In-1 Intel Core™ i7 1355U 16GB RAM 512GB SSD 13.5 Wide Ultra WUXGA Windows 11

Description

HP Spectre X360 2-In-1 Intel Core™ i7 1355U 16GB RAM 512GB SSD 13.5 Wide Ultra WUXGA Windows 11

Looking for a versatile and powerful device? The **HP Spectre X360 2-In-1** delivers premium performance with Intel Core i7, 16GB RAM, and 512GB SSD storage. The **HP Spectre X360 2-In-1** combines sleek design with 360° flexibility for work and play.

Features

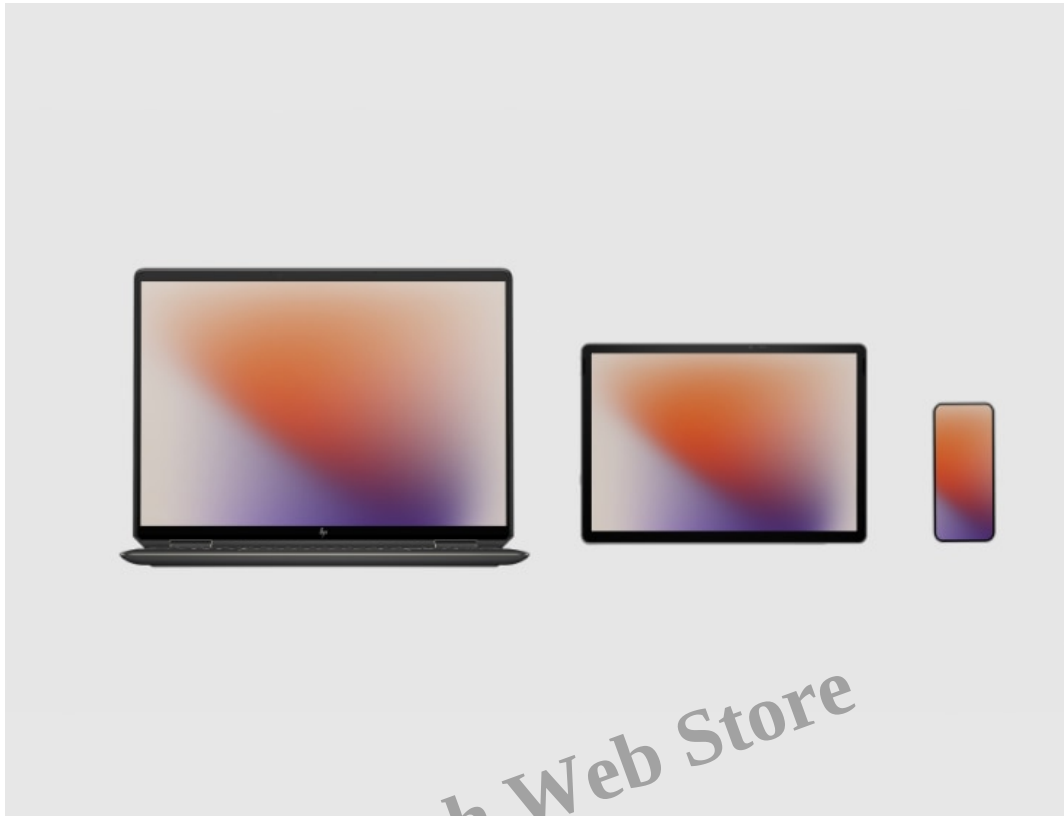

Powerful processor

The Intel® Evo™ platform brings together the perfect combination of performance, responsiveness, battery life and stunning visuals.

HP Palette

HP Palette brings together apps like Duet® for HP1, PhotoMatch, QuickDrop and Concepts into one place making it easy to stay organised and productive while you create across devices.

Family, friends, obsessions, music, creations—Windows 11 is the one place for it all. With a fresh new feel and tools that make it easier to be efficient, it has what you need for whatever's next.

Because little things make a big difference
HP is dedicated to driving progress toward a more sustainable future and making responsible choices for the environment and our customers. Our laptop design includes sustainable materials like ocean-bound plastic, recycled aluminum, and keycaps made from post-consumer recycled plastic². Together we can make a difference.

Looking for a high-performance laptop that combines power, portability, and style? The [HP EliteBook 830 G10 Intel Core i7-1365U 16GB RAM 256GB SSD Windows 11 Pro – A92M9U8#ABA](#) is your perfect companion for seamless multitasking and efficient workflows.
