

HPE 1TB SATA 6G Business Critical 7.2K LFF RW-801882-B21

Description

HPE 1TB SATA 6G Business Critical 7.2K LFF RW-801882-B21

Supertech Web Store

Overview

Do your servers need reliable, economical, high capacity Midline hard drives for your growing storage workload needs?

HPE Server Midline Hard Drives deliver the highest capacity, performance and reliability to your datacenter applications. Midline hard drives allow you to store more data without sacrificing performance or reliability; they are ideal to store all your bulk storage requirements.

HPE Server Midline Hard Drives are available in both 3.5-inch Large Form Factor (LFF) and 2.5-inch Small Form Factor (SFF) and ship with a standard one-year warranty.

All HPE hard drives pass a rigorous qualification process, which certify that every drive is proven to perform in your HPE ProLiant Server environments. Before final certification, all HPE Server Midline Hard Drives are optimized for compatibility and functionality, including support of SMART and HPE Systems Insight Manager.

What's new

- 12 TB 7.2K SATA LFF 512e Helium Midline Hard Disk Drives

Features

Designed and Engineered to Provide High Capacity and Reliable Secure Storage

HPE 1TB SATA 6G Server Midline Hard Drives are ideal for the growing volume of digital content, bulk data storage, cloud and web infrastructure environments.

Broad portfolio of optimized solutions provide up to 12 TB of storage, and growing in a single device.

Rotational Vibration Sensors deliver enhanced rotational vibration tolerance that provides enterprise class reliability in midline drives.

Available in 2.5-inch Small Form Factor (SFF) and 3.5-inch Large Form Factor (LFF) in a wide variety of capacity points.

Prevent unauthorized access to your data with HPE Digitally Signed Firmware. It provides the security and assurance that drive firmware comes from a trusted source and protects against malicious attacks.

Support Entry/SMB servers with value priced drives

HPE 1TB SATA 6G Server Midline Hard Drives have lower start-up costs without sacrificing reliability at the lowest \$/GB.

Non-mission critical hard drives at the lowest \$/GB.

6 Gb/sec data transfer rate to support existing servers.

Looking for a powerful and reliable server for your growing business? The [HPE ProLiant ML350 Gen10 Tower Server Intel Xeon Silver 4210R, 16GB DDR4, 800W PSU – P59548-421](#) delivers exceptional performance and scalability for enterprise workloads. Now available at **Supertech**, your trusted HPE server supplier in Dubai at the best price.
