

HPE MSA 2062 16GB Fibre Channel SFF Storage – R0Q80B

Description

HPE MSA 2062 16GB Fibre Channel SFF Storage – R0Q80B

HPE MSA 2062 Storage is engineered to provide high performance and scalability, making it an ideal solution for businesses that require reliable data management as they grow. The flexibility of the **HPE MSA 2062** ensures seamless expansion to meet the increasing demands of your business.

What's New with the HPE MSA 2062?

The **HPE MSA 2062** now offers a **24TB SAS LFF HDD** option, available either as a single drive or in a 6-pack bundle. This enhancement significantly boosts storage capacity, allowing businesses to scale quickly. With the ability to add up to 9 additional **MSA 2060 LFF Drive Enclosures**, you can increase the system's total raw capacity to **2.76PB**, ensuring ample storage for future growth.

Moreover, the **HPE MSA 2062** has been certified as a **Backup Repository** for **Veeam Backup and Replication**. This integration guarantees **Instant VM Recovery**, minimizing downtime and enabling fast recovery in high-demand environments.
