Description

Lenovo A100 AIO Intel® Core i3-N305 Integrated Intel® UHD Graphics 8GB RAM 512GB SSD 23.8" FHD English FreeDos 1 Year – F0J60043PS

The **Lenovo A100 AIO** is an all-in-one desktop PC designed for smooth everyday performance. Equipped with the Intel® Core i3-N305 processor, 8GB RAM, and a fast 512GB SSD, the **Lenovo A100 AIO** ensures reliable multitasking and crisp visuals on its 23.8" Full HD display. Ideal for both home and office use, it offers power and simplicity in one sleek package.

Features

Easy Task Management & Clear Calls

Equipped with an Intel® N100 processor and robust memory capacity, the Lenovo A100 all-in-one (AIO) desktop simplifies everyday tasks with lightning-fast performance. Enjoy seamless video calls with crystal-clear audio, thanks to the optional 5MP webcam and dual-mic setup.

Stunning Display & Expansive Screenspace

Relive cherished memories on this AIO desktop — view photo albums and videos on a stunning 23.8" full high-definition display. The expansive, nearly borderless screen transforms every visual into a masterpiece, showcasing colors with great accuracy. Get pulled into an immersive world, combining clarity and vibrancy to enliven treasured moments.

Multidisplay & Connectivity Options

With multiple ports, the Lenovo A100 AIO desktop provides versatile connectivity keeping you ready for work, play, and everything in between. Expand your workspace with the HDMI output for dual displays, while fast WiFi keeps you connected at every turn. Plus, enjoy a streamlined setup as you pair your devices via Bluetooth®.

Stylish & Sleek to Suit Any Room

This all-in-one desktop boasts a sleek design, blending elegance and functionality that suits any room. Adjust the stand from -5° to 25° for your ideal viewing angle and comfort. Moreover, the chic Cloud Grey finish gives it a stylish appeal, adding sophistication to your work area.

***Keyboard and mouse are optional**
