## Description

**Lenovo All in one ideaCentre AIO 3 24ITL6 CORE I5 11TH CORE I5 11TH 8GB 1TB  
HDD-F0G001ARAX**

The **Lenovo AIO 3 i5 11th Gen** (model: 24ITL6 – F0G001ARAX) is a sleek and space-saving all-in-one desktop featuring Intel Core i5-1135G7, 8GB RAM, and 1TB HDD. Ideal for multitasking at home or in the office, it delivers reliable performance with a modern design. Now available at **Supertech**, your trusted Lenovo partner in the UAE.

## Standout design & performance

Even with a sleek, compact frame, the IdeaCentre AIO 3i packs a real punch. Experience seamless high-performance and pin-sharp visuals with up to Intel Core™ processing and NVIDIA GeForce graphics. Enjoy faster boot times with a solid-state drive (optional) and, with up to 1TB storage, there's enough space for all your family's music, photos, and videos.

## Enhanced audio & privacy

With a 5M infrared webcam (optional), plus Windows Hello, you can log into your IdeaCentre AIO 3i with just a smile. Enjoy crisp, clear sound and video calls through the Harman Kardon-certified audio system. And when you're finished with the webcam, simply shut it down to keep the outside world out.

Buy this PC and get a Free upgrade to Windows 11 when available. Upgrade rollout plan is being finalized and is scheduled to begin late in 2021 and continue into 2022. Specific timing will vary by device.
