Perform at your best

With 12th Gen Intel® Core™ processors, the IdeaPad 3i Gen 7 laptop lets you perform, and study at your best. There’s also plenty of space

for all your digital files, including a dual solid-state and hard-disk drive option, combining storage and speed. And don’t worry about

your desk getting cluttered thanks to the full-function USB-C port for faster data transfer, power

delivery, and 4K display connectivity.

Crystal-clear collaboration

Say goodbye to poor quality videocalls. The IdeaPad 3i Gen 7 laptop has dual-array microphones to ensure everyone can be heard loud and clear,

while Dolby Audio™ speakers deliver awesome sound. Smart noise-cancelling technology eliminates annoying background noise,

so your online classes and get-togethers are silky smooth. Plus, you can turn the 720p HD camera off

and on via the webcam privacy shutter.

Made to travel

Exceptionally slim, just 19.9mm / 0.78?, the IdeaPad 3i Gen 7 laptop slips easily into any backpack or bag, making it perfect for

on-the-go use. It also has an easy-to-carry design, ideal for when moving between meetings or rooms. And with its sleek

hairline-sheet cover, available in Arctic Grey, Abyss Blue, and Misty Blue, it looks great wherever you go, too.

from the display, minimizing the risk of eye strain.

AI for the future

The IdeaPad 3i Gen 7 and Lenovo AI Engine combine for combine to boost power, display, voice, and wireless connections.

The Smart Wireless feature reconnects you in real time for stable streaming, while Background Blur helps keep your video

conferencing professional. And with Flip-to-Boot, you can enjoy faster startups.
