

Lenovo L24i-4A 23.8" Monitor LED – 67BCKAC6AE

Description

Lenovo L24i-4A 23.8" Monitor LED – 67BCKAC6AE

Take care of your visual health

The Eyesafe 2.0 and TÜV Hardware Low Blue Light certifications protect your eyes while working for long hours, without altering the display's colors and improving your work and or entertainment time

Upgrade your user experience

Connecting your devices to the display is always a worry-free experience with the availability of both VGA and HDMI. Enjoy more space on your desk with clutter-eliminating cable management.

Clean up your workspace

With an innovative cable management solution and built-in phone stand, you can pull focus and reduce clutter.

Work earth-consciously

Composed of 85% recycled resin for plastic, this screen also does its bit for the environment. The L24i-40 Monitor is also RoHS compliant and has the EU Energy Level Certification.

Looking for a compact and efficient display for daily tasks? We have the [ThinkVision E20-30 20? Monitor](#) at Supertech—ideal for saving space while delivering crisp visuals and reliable performance!
