

Lenovo L24e-40 23.8? FHD Monitor – 67AAKAC3UK

Description

Lenovo L24e-40 23.8? FHD Monitor – 67AAKAC3UK

Designed for peak productivity

Upgrade your workspace and elevate your entertainment experience with Lenovo’s L27e-40 monitor. This sleek and eco-friendly display offers crystal-clear images and supports AMD FreeSync™ for a smoother gaming experience. The use of 85% recycled resin in the product plastic makes this monitor more environmentally friendly.

Minimalism at its finest

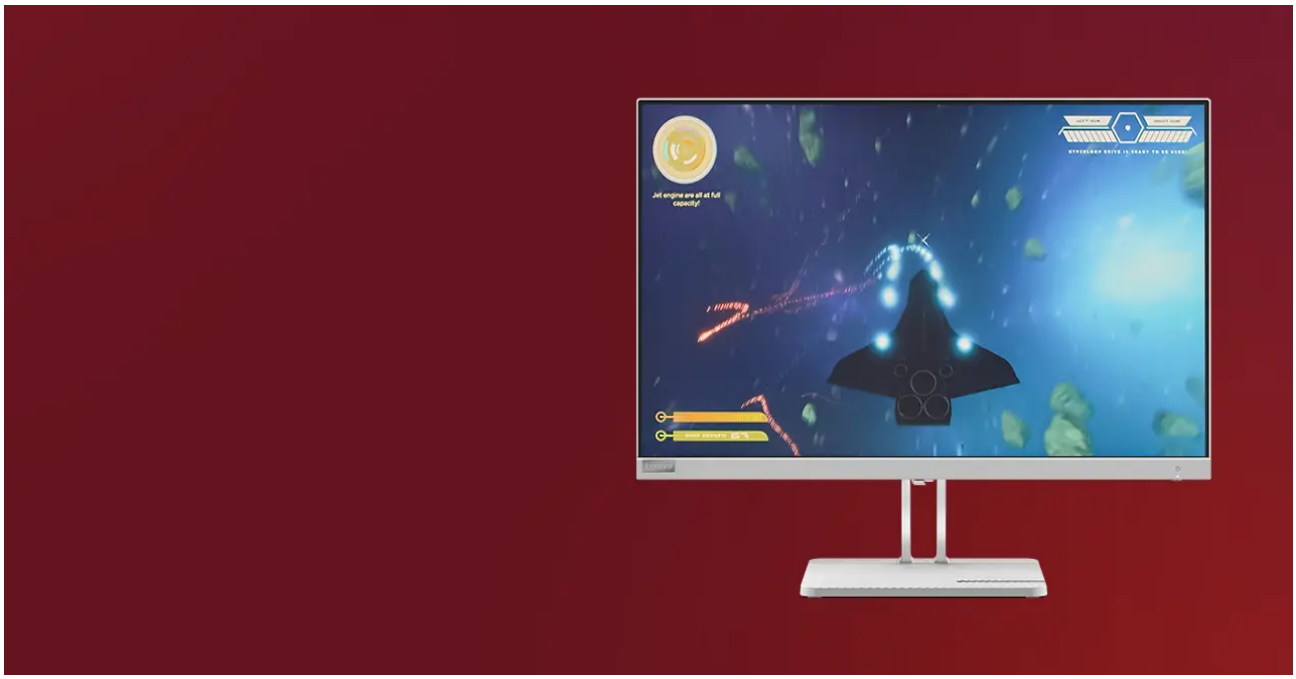

Enjoy a contemporary-looking desk setup with its 7mm ultraslim frame, stylish stand and wave pattern base design.

Supertech Web Store

Safe for the eyes. Good for the ears.

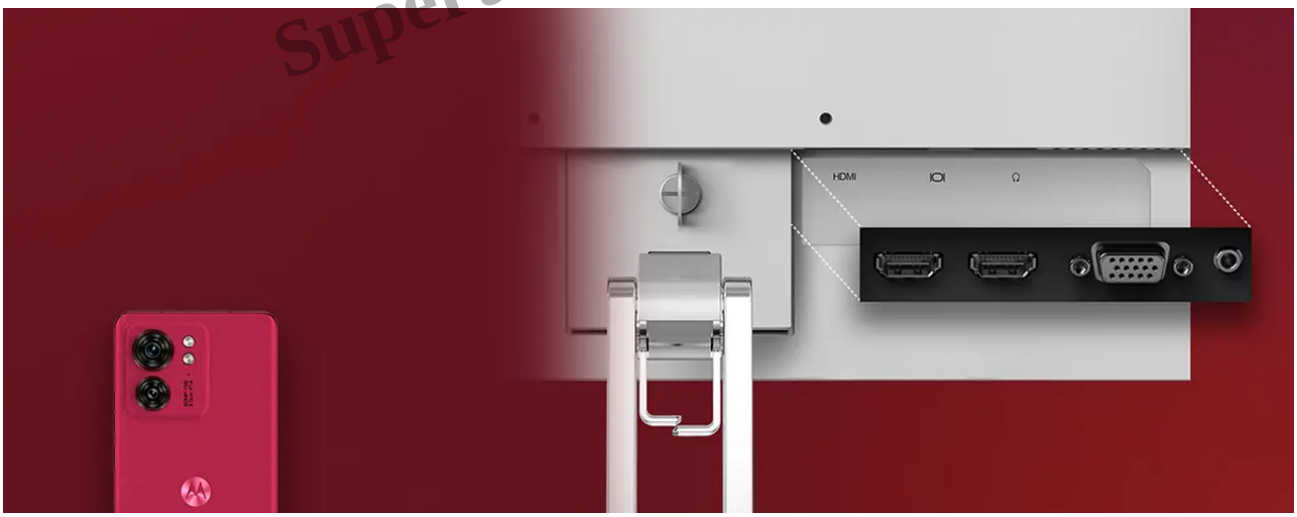

Work effortlessly and protect your eyes from strain and blue light using Eyesafe 2.0 and TÜV Hardware Low Blue Light certifications while enjoying rich clear audio on your preferred speakers or earphones.

Superior color performance in a slim panel design

Supertech Web Store

Have fun with a monitor that combines wide 72% NTSC color space and AMD FreeSync™ support plus fast 100 Hz refresh rate for smooth gaming performance.

Connect with confidence

Connect your devices easily and enjoy a seamless viewing experience with the monitor’s HDMI and VGA input ports, plus a 100 Hz refresh rate for reduced lag and stuttering.
