A richer experience

The ThinkCentre M70a Gen 3 guarantees an immersive audiovisual experience, with AI noise suppression for crystal-clear videoconferencing and Dolby Atmos for premium sound. With an innovative tiltable camera, the full-function stand adjusts for ideal ergonomics to suit your work style.

intel.

Powerful productivity

Powered by up to 12th Gen Intel® Core™ i9 processors, the M70a Gen 3 boasts up to 64GB DDR4 memory and up to 2TB storage. This affordable AIO delivers powerful performance for data-heavy

tasks, along with intelligent security and fast connectivity for anywhere productivity.

intel.

Energy efficient sustainability

With EPEAT Gold and Energy Star 8.0 certification, the M70a Gen 3 is engineered for energy efficiency. Built with 65% PCC material and delivered in 90% recycled packaging. Lenovo also offers the option of offsetting equivalent CO2 emissions over your device's production and lifecycle.

Intelligent security

The M70a Gen 3 is protected by Lenovo's end-to-end ThinkShield security, including intelligent features like Smart USB Protection, discrete TPM 2.0, and user recognition to keep employees and data safe. The webcam privacy shutter adds an additional layer of physical protection.
