Why settle for the ordinary?

The ThinkCentre Neo 50a Gen 5 PC is built for forward-thinking businesses. Its USB-C® ports make it convenient to charge devices. Plus, Lenovo Smart Storage offers speedy sharing, automatic backups, and remote access to your data, anywhere, anytime while enhanced WiFi 6 & Bluetooth® connectivity keep you online and your devices connected without wires.

Transform your virtual presence

We've redefined the experience of virtual interaction with the ThinkCentre Neo 50a Gen 5 all-in-one PC. Its 5MP camera is boosted with unique AI features that enable crystal-clear conferences while the Lenovo Smart Meeting software lets you create temporary digital avatars as your virtual embodiments on the go. Plus, traits like AI noise suppression, face and group tracking, and directional voice capture ensure you and your colleagues look and sound your best — especially, with immersive audio supported by dual speakers from Dolby Audio™ and Harman®.

Be technology-ready for workplace collaborations

The ThinkCentre Neo 50a Gen 5 PC is where innovation meets daily tasks. Embedded efficiencies like Modern Standby and optional Microsoft Copilot, an integrated AI assistant, enhance everyday productivity. Fully integrated with Office 365, Copilot can jumpstart the creative process in default applications, while automating repetitive tasks, summarizing discussions, and more. The shared display feature allows purposeful alliance for teamwork or entertainment — just plug your laptop into the HDMI-in port and enjoy sound and visuals on the big AIO screen.
