

Lenovo ThinkCentre neo 50a 24 Gen 5, Intel Core™ 5 210H, Integrated Intel® Graphics, 8GB RAM, 512GB SSD, 23.8" FHD, 1-year – 12SC009DGP

Description

Lenovo ThinkCentre neo 50a 24 Gen 5, Intel Core™ 5 210H, Integrated Intel® Graphics, 8GB RAM, 512GB SSD, 23.8" FHD, 1-year – 12SC009DGP

Front-office elegance meets robust performance

The Lenovo ThinkCentre Neo AIO 50a Gen 5 all-in-one PC boasts a compact, sleek design and ultra low-noise operation, making it perfect for front-office work. Moreover, committed to user comfort, the entry-level desktop reduces operational noise and is ideal for environments where silence is golden. With up to [13th gen Intel® Core™ processing](#), this AIO delivers powerful performance. It's ideal for home office and hybrid workers, providing a comfortable computing experience while keeping distractions at bay.

Big-screen clarity for unparalleled efficiency

Furthermore, dive into an effortless multitasking experience with a gorgeous display that brings every detail to life. The Neo 50a Gen 5 all-in-one PC is designed for those who demand more and seek excellence in every task. The 23.8" panel features a fully upgraded experience with high refresh rates that deliver visual clarity, while an almost borderless bezel adds to the stylish, modern appearance. In addition, the monitor is adjustable to ensure a comfortable viewing experience.

Why choose the Lenovo Neo 50a Gen 5?

The Lenovo ThinkCentre Neo AIO 50a Gen 5 PC is built for forward-thinking businesses. Its USB-C® ports make it convenient to charge devices. Plus, Lenovo Smart Storage lets you share files quickly, back them up automatically, and access them from anywhere. Meanwhile, enhanced WiFi 6 & Bluetooth® connectivity keep you online and your devices connected without wires.

Transform your virtual presence

Additionally, we've redefined the experience of virtual interaction with the ThinkCentre Neo 50a Gen 5 all-in-one PC. Its 5MP camera includes unique AI features for crystal-clear conferences. Lenovo Smart Meeting software also lets you create temporary digital avatars for virtual interactions. Moreover, traits like AI noise suppression, face and group tracking, and Directional voice capture helps you and your team look and sound clear, while dual speakers from Dolby Audio™ and Harman® provide immersive sound.

Ready for workplace collaborations

The ThinkCentre Neo 50a Gen 5 PC is where innovation meets daily tasks. For example, Features like Modern Standby and Microsoft Copilot, an AI assistant, make everyday work faster and easier.. Fully integrated with Office 365, Copilot can jumpstart the creative process in default applications, while automating repetitive tasks, summarizing discussions, and more. Additionally, the shared display feature allows purposeful alliance for teamwork or entertainment just plug your laptop into the HDMI-in port and enjoy sound and visuals on the big AIO screen.

Performance fused with protection

Finally, enhance your business security with the Neo 50a Gen 5 PC. Benefit from ThinkShield's robust protection and fTPM's data encryption to safeguard your critical information. In addition, enjoy privacy with the e-shutter feature and secure your device with the Kensington lock slot. Lenovo Vantage ensures continuous protection for your data, devices, and WiFi, while assisting with computing issues and data recovery.
