POWER & PERFORMANCE YOU CAN RELY ON

Redefining Mobility & Precision

The 14? ThinkPad E14 Gen 7 pairs Intel® Core™ Ultra processors and robust AI power for effortless multitasking and workload optimisation. Ideal for professionals on the move, this thin and light laptop ensures portability for uninterrupted work. Stunning graphics drive peak performance whether managing crucial projects or tackling creative task.

ADAPTABLE. SCALABLE. RELIABLE.

Designed for Longevity & Smooth Operations

Tailored for modern professionals, this laptop provides adaptive system performance with AI-powered features, optimising routine tasks and boosting efficiency. Its flexible storage and memory options grow with your business, handling expanding workloads. And its customer-replaceable parts simplify maintenance, reducing downtime and extending device life.

Transform the way you Work, Connect, & Collaborate

Sleek & Sustainable

Our thin and light laptop is always ready to go wherever work demands, delivering top-tier performance. It includes recycled plastic to reduce environmental impact.

Endless Energy for Endless Possibilities

Experience long-lasting power with an improved battery life that keeps up with you, ensuring extended productivity without frequent recharging. Tailored for professionals on the go, it's perfect for meetings, travel, and remote work.

Clarity That Dazzles, Comfort That Lasts

Enjoy striking visuals on the 14" laptop with precise colour accuracy and choose from high-definition displays – perfect for bright environments or detailed content work. Plus, TÜV Low Blue Light technology reduces eye strain for comfortable viewing.

Unmatched Audiovisual Excellence

Elevate your professional interactions with premium sound quality via Harman Kardon® user-facing speakers and Doby Atmos® audio. Plus, an optional FHD hybrid infrared (IR) camera ensures exceptional video quality for uninterrupted and more polished collaborations.

Monitor, keyboard & mouse are optional & sold separately.

STAY AHEAD, STAY CONNECTED

Powerful Ports, Endless Efficiency

The ThinkPad E14 Gen 7 laptop delivers exceptional connectivity with high-speed WiFi. Versatile ports, including USB-A, USB-C®, Thunderbolt 4, and HDMI® facilitate quick data transfer and smooth device pairing. Perfect for SMBs and enterprises, this machine ensures effortless collaboration and efficient daily operations for amplified productivity.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
