**Description**

## Features

Supertech Web Store

## Fuss-free, robust, & fast

- High-performance, fuss-free, durable 15.6? business laptop
- Powered by up to 12th Gen Intel® Core™ processors & optional discrete graphics
- Heaps of memory & storage, including dual SSD support
- Enhanced for conference calls, with noise-cancelling technology

# Makes hard work look easy

Combing durability with power and performance, the Lenovo ThinkPad E15 Gen 4 laptop lets you get things done anywhere. Powered by up to 12th Gen Intel® Core™ i7 processors with up to 40GB of memory, it can zip through the heaviest of workloads. It also has the option of WiFi 6E*connectivity, giving you faster internet access wherever you are.

*WiFi 6E requires Windows 11 Pro. Operation is dependent on the support of the operating system, routers/APs/gateways that support WiFi 6E, along with the regional regulatory certifications and spectrum allocation.

## 100% portable, 100% practical

Weighing from only 1.78kg, the Lenovo ThinkPad E15 Gen 4 can accompany you everywhere. As well as an extra durable aluminum top cover. Plus, with dual-mics and environmental-noise cancelling technology, every virtual meeting is enhanced.

## Ready for the boardroom—or the beach

Choose from several 15.6? displays, including an FHD (1920 x 1080) antiglare touchscreen with wide-angle viewing, 300 nits of brightness, and a huge colour range. There’s also the option of NVIDIA® GeForce® MX 550 discrete graphics to meet your work or downtime needs. As well as a host of ports, you’ll have superb audio clarity thanks to Dolby Audio™ with Harman® speakers.

## Simple to use, yet so secure

With the ThinkPad E15 Gen 4 laptop, you can choose to log in with just your smile or fingerprint, quickly and securely. Simply look at the optional FHD hybrid IR camera or tap the optional fingerprint reader on the Power On button and you’re in. What’s more there’s the discrete trusted platform module

(dTPM) 2.0, a secure chip to encrypt your passwords and other sensitive data.

## Designed for everyday life

We use the US Department of Defense’s MIL-STD 810H standards to create a balance of reliability and durability for every ThinkPad. Tested against 12 stringent standards and more than 200 quality checks, the ThinkPad E15 Gen 4 business laptop will run in even the harshest of conditions, from the Arctic wilderness to desert dust storms
