

Lenovo ThinkPad E16 Gen 3, Intel Core™ Ultra 7 258V, 32GB RAM, 512GB SSD, 16? WUXGA, Backlit, English, 1-year – 22AY0013GQ

Description

Lenovo ThinkPad E16 Gen 3, Intel Core™ Ultra 7 258V, 32GB RAM, 512GB SSD, 16? WUXGA, Backlit, English, 1-year – 22AY0013GQ

EDEFINE PRODUCTIVITY ON THE GO

Supercharged for Success

The 16? Lenovo ThinkPad E16 Gen 3 laptop blends power, portability, and performance. Intel® Core™ processors ensure blazing speed and responsiveness for smooth multitasking and peak productivity. Integrated Intel® graphics deliver stunning visuals and the dedicated Copilot Key offers quick access to

essential tools for seamless experiences.

WORK WITHOUT LIMITS

Adaptable, Reliable, Unstoppable

Ideal for business professionals, this machine combines reliability and efficiency in a sleek, durable package. Its flexible storage and memory options adapt effortlessly as your business grows, handling increasing workloads with ease. With customer replaceable units like the battery and speaker, it

YOUR WORK. YOUR DATA. PROTECTED.

Secure Every Move, Own Every Moment

The E16 Gen 3 laptop is your ultimate ally in security and performance. It comes with a discrete Trusted Platform Module (dTPM) for robust data encryption. The optional power button-integrated fingerprint reader and IR camera ensure quick, secure access. Plus, the webcam privacy shutter always provides visibility control — anytime, anywhere.
