

Lenovo ThinkPad P1 Gen 8, Intel Core™ Ultra 9 285H, NVIDIA® RTX PRO 2000 8GB, 64GB RAM, 2TB SSD, 16" 3.2K OLED, Windows® 11 Pro, 3-year – 21Q80008GR

Description

ThinkPad P1 Gen 8 (16" Intel) Mobile Workstation

Meet the ThinkPad P1 Gen 8 (21Q80008GR), a premium mobile workstation designed for professionals who need strong performance in a portable laptop. It combines an Intel Core Ultra 9 285H processor with NVIDIA RTX PRO 2000 graphics and a high-resolution 16-inch 3.2K OLED display. With 64GB RAM and a spacious 2TB SSD, it is configured for demanding creative, technical and business workflows.

The Intel Core Ultra 9 285H processor provides the computing foundation for intensive multitasking and professional applications. NVIDIA RTX PRO 2000 graphics with 8GB of dedicated memory support graphics-focused work, including 3D design, visualisation and content creation. Actual performance depends on the software, workload and configuration.

Enjoy detailed visuals on the 16-inch 3.2K OLED display. Its high resolution gives you room to review fine details, work across creative tools and present content with clarity. The 64GB RAM helps keep multiple applications and large files accessible during busy work sessions, while the 2TB SSD provides fast local storage for projects, documents and media.

Windows 11 Pro offers a familiar professional environment for business and productivity tasks. The ThinkPad P1 Gen 8 is a strong fit for engineers, designers, developers, creators and other users looking for workstation capabilities in a laptop form factor. Its combination of processor, professional graphics, memory and storage is designed to support a wide range of demanding workflows.

This configuration also includes Lenovo® AI Now + Intel® Connectivity Performance Suite as bundled software. Alongside the workstation hardware, these tools add to the professional package for everyday and specialist tasks.

If you need a powerful laptop for work, study or creative projects, the Lenovo ThinkPad P1 Gen 8 brings high-end components and a spacious OLED display into one mobile system. Contact Supertech Computers for a quote and configuration details. The product comes with a 3-year warranty.
