

LENOVO THINKPAD P14s GEN 2 CI7 1165G7 16GB 512GB SSD 4GB Windows 11 PRO 14 FHD-20VXS0MQ00

Description

LENOVO THINKPAD P14s GEN 2 CI7 1165G7 16GB 512GB SSD 4GB Windows 11 PRO 14 FHD-20VXS0MQ00

Features

Versatile power

Engineered for highly mobile power users, the ThinkPad P14s Gen 2 (14" Intel) is fueled by up to 11th Gen Intel® Core™ processors for unmatched speed and performance. NVIDIA® T500 professional graphics with 4GB vRAM power an extra kick for renderings and other intensive tasks.

See it bright, see it clear

Choose a ThinkPad P14s Gen 2 (14" Intel) with a 4K UHD (3840 x 2160) display for vivid, true-to-life images and video. This 500-nit display option delivers increased brightness, while integrated X-Rite Factory Color Calibration assures pin-point color accuracy.

Slim profile, big-time versatility

While the ThinkPad P14s Gen 2 (14" Intel) packs massive power into its slim, portable, 1.47kg / 3.24lbs design, it also provides robust connectivity to give you an extra edge—including two Thunderbolt™ 4 ports, along with HDMI and USB 3.2 connectors.

New levels of power

Up to 2TB of fast NVMe SSD storage and up to 48GB 3200MHz memory make lag time a thing of the past. The ThinkPad P14s Gen 2 (14" Intel) Mobile Workstation also includes ISV certifications from major vendors like AutoCAD[®], Revit[®], SolidWorks[®],

Built tough

To ensure it will run in extreme conditions, the ThinkPad P14s Gen 2 (14" Intel) is tested against . From the Arctic wilderness to desert dust storms, from zero gravity to accidental spills and being dropped, it won't let you down.

Security first

The ThinkPad P14s Gen 2 (14" Intel) boasts an updated suite of built-in ThinkShield features to safeguard your device and data. A fingerprint reader assures extra-secure login. Discrete Trusted Platform Module (dTPM) encrypts your business-critical data and works in conjunction with Windows 10 security features. Protect your data and yourself with a physical shutter for the webcam and an improved optional PrivacyGuard with PrivacyAlert screen that helps prevent nosy neighbors from reading your screen.
