Description

Lenovo ThinkPad P16v Gen 2 Intel® Core Ultra 9 185H 32GB RAM 1TB SSD 16? WUXGA NVIDIA® RTX 3000 8GB Windows® 11 Pro 3 Year – 21KX001SGR

Designed for innovators and professionals, the **Lenovo ThinkPad P16v Gen 2** 16? mobile workstation packs the power of **Intel Core Ultra 9 185H** with Intel vPro and an AI-ready integrated Neuro Processing Unit (NPU) for anything you want to do. Equipped with 32GB RAM, 1TB SSD, NVIDIA RTX 3000 8GB graphics, and Windows 11 Pro, the **Lenovo ThinkPad P16v** delivers unmatched performance, versatility, and mobility. Offering OS alternatives and a 3-year warranty from Supertech Computer, it combines affordability with high-end capability, making it ideal for creators, professionals, and power users.

Now, multitask and execute complex workflows in AI effortlessly with up to NVIDIA® RTX™ 3000 Ada laptop GPUs. Produce high-quality images and animations, and create high-end 3D visualizations, thanks to vast memory and storage options. Also, this mobile workstation runs software optimally as it is Independent Software Vendor (ISV)* certified.

With entry-level to premium display options, narrow bezels for an unobstructed gaze, and a range of brightness and color gamut options, this 16" ThinkPad mobile workstation is a visual powerhouse.

Choose a 5MP + infrared webcam to enjoy stunning clarity during video calls with HDR400 and Dolby Vision® and elevate online meetings.

With a spill-resistant, full-sized backlit keyboard containing a numeric pad, LED on some keys, and a large TrackPad (115mm / 4.53"), the 16" ThinkPad P16v Gen 2 workstation is engineered for accessibility, functionality, and usability. Add a Thunderbolt™ 4 Docking station to expand your useable visual real estate with one or two external displays.

Access designs and move large files at lightning-fast data transfer speed (up to 40Gbps) of

Thunderbolt™ 4. Delve into seamless online interactions on WiFi, Ethernet, or 4G/5G. Instantly transfer photos from your phone to the device with Magic Move, and sync data to your workstation with just a tap or swipe via Near Field Communication (NFC)*.

Protected by ThinkShield, the ThinkPad P16v Gen 2 mobile workstation includes a fingerprint reader for easy log in and self-healing BIOS to restore earlier system settings. It is MIL-SPEC tested for ultimate durability, energy efficient with several certifications including EPEAT® Gold, and comprises recycled components and plastic-free packaging.
