AUTOMATE SIMPLE TASKS

Lenovo ThinkPad T14 U7: AI-Powered Productivity

The **Lenovo ThinkPad T14 U7** is an AI-powered laptop designed to streamline everyday tasks and enhance your productivity. This intelligent PC delivers advanced collaboration tools, fast performance, and seamless multitasking.

ADVANCED-LEVEL PROTECTION

Security Your Business Can Count On

When you need multilevel protection, the **Lenovo ThinkPad T14 U7** has you covered with ThinkShield security solutions. The discrete Trusted Platform Module encrypts critical data, keeping your information safe at all times. Optional biometric features provide secure login with a fingerprint reader or facial recognition via the infrared (IR) camera. Human presence detection works seamlessly with the optional PrivacyGuard display, ensuring your sensitive information and big ideas remain protected from prying eyes.

Lower Your Bottom Line

The efficient battery size delivers long life so you're not tethered to outlets. Plus, you can extend your laptop's lifecycle as both batteries are conveniently customer replaceable.

Fast Charging Options

When you do need a charge, the super-compact, barely-bigger than phone-sized optional GaN adapter

boosts your battery in an eyeblink! Or choose the standard 65W adapter or go with the optional wall-mounted version*.

You Asked. We Listened.

The ThinkPad keyboard still boasts our iconic TrackPoint for navigation, and it also opens quick menu settings when you tap it twice. Tactile markings improve accessibility on Enter, Fn, Insert, power-in port, and more.

Work From Anywhere, Anytime

If it's blazing-fast WiFi you need, the T14 Gen 6 laptop has got you covered. And for times when WiFi is out of range, add optional WWAN* connectivity to jump online quickly and securely. You'll never miss a beat.

* Optional WWAN availability varies by region and must be configured at time of purchase; it requires a network service provider.

THINKPAD TOUGH

Durability Your Business Can Rely On

We use MIL-STD-810H for a balance of reliability and durability in ThinkPad laptops. Meeting or exceeding 12 standards, 26 procedures, and 200+ quality checks ensure these devices run in extreme conditions, including harsh variables like Arctic wilderness, desert dust storms, extreme temps, pressure, vibration, and more.

LOOK & SOUND YOUR BEST

Take Digital Meetings to the Next Level

Keep It Professional

Make your presence known in every meeting with the remarkable 5MP camera — choose either the standard or infrared option. The IR camera enables zero-touch login with facial recognition, as well as other features like human presence detection.

Collaboration At Its Best

With Lenovo View, you'll look and sound your best on video calls. This preloaded software provides AI-based camera enhancements to keep you focused when speaking, blur backgrounds, set an avatar for when you need to step away, and more.

Sound Sensation

The T14 Gen 6 laptop includes amazing audio. Dolby Voice[®] technology enhances audio clarity on video calls. Noise-cancelling mics remove ambient sound, while Dolby Atmos[®] immerses and engages you in a 3D soundscape.
