Description

**Lenovo ThinkPad X1 Yoga Gen 6 Intel Core i7-1165G7 16GB RAM 512GB SSD
Windows 11 PRO Touch – 20XY00BBUS**

Features

Powerhouse performance

With the Intel® Evo™ platform, the ThinkPad X1 Yoga Gen 6 2-in-1 laptop delivers a powerhouse combination of performance, responsiveness, battery life, and stunning visuals. Up to 11th Gen Intel® Core™ i7 processors mean you can count on an exceptional experience, anywhere.

In a word: versatility

Thanks to its 360-degree hinge, the ThinkPad X1 Yoga Gen 6 convertible laptop quickly switches between laptop, tablet, tent, and stand modes. No matter where your “desk” might be, we’ve got a mode to accommodate your style. Plus, go from keyboard to ThinkPad Pen Pro in seconds, when you want to sketch, sign documents, or take notes with the fully rechargeable, garaged pen.

Cool capabilities

Engineered with dual-fans and rear venting, the thermal capabilities on the ThinkPad X1 Yoga Gen 6 convertible keep the device cool while you’re hot on the trail of success.

Even smarter security

With an updated suite of built-in ThinkShield security solutions, the ThinkPad X1 Yoga Gen 6 2 in 1 laptop safeguards your device and your data. Biometrics provide an extra-secure fingerprint reader that's integrated with the power button—so you can log in and boot up instantaneously. Optional human-presence detection automatically locks your device when you move away, and in combination with the IR camera, it enables zero-touch login even from sleep. Plus, choose the PrivacyGuard display panel to ensure wandering eyes can't see what's on your screen.

Vibrancy & safety co-mingle

The ThinkPad X1 Yoga Gen 6 features a refined 16:10 display with narrow bezels and a rich, high-resolution screen. Choose the UHD+ panel with Dolby Vision™ to amp up your experience. Powerful Intel® Iris® Xe graphics render amazing picture clarity and color accuracy—whether you're video-conferencing, browsing, or watching media. Not only is this low-power panel energy efficient, but it's also TÜV Rheinland-certified for reduced blue-light emissions to promote eye-care health.

Collaboration never sounded so good

The Dolby Atmos[®] Speaker System on the ThinkPad X1 Yoga Gen 6 convertible includes two upward-firing speakers and two downward-firing woofers, creating an immersive sound experience you'll enjoy for work and for play. Four 360-degree far-field mics combined with a high-definition camera for visual clarity improve remote collaboration and ensure you're heard loud and clear during calls.

Invest in the future

The ThinkPad X1 Yoga Gen 6 2-in-1 laptop offers a true smartphone-like experience in an always-connected PC. Speedy WiFi 6 lets you jump on crowded public platforms fast while avoiding lag-time and buffering. And with the optional 4G / 5G WWAN*, you can enjoy faster more secure access to your network and uninterrupted video streaming. Stay connected to what matters most, no matter where you are.

* Optional WWAN availability varies by region and must be configured at time of purchase; it requires a network service provider.

Tougher than your average business device

ThinkPad laptops are tested against 12 military-grade requirements and more than 200 quality checks to ensure they run

in extreme conditions. From the Arctic wilderness to desert dust storms, from zero-gravity to spills and drops, you can trust these laptops to handle whatever life throws your way.
