

Lenovo ThinkVision S24i-30 23.8" FHD Monitor – 63DEKAT3UK

Description

Lenovo ThinkVision S24i-30 Monitor LED – 63DEKAT3UK

A treat for the eyes

The Think Vision S24i-30 Monitor's 23.8-inch 3-side Near Edgeless In-Plane Switching screen offers a distraction-free view. 1920 x 1080 resolution, 99% sRGB color gamut delivers superb clarity with consistent color and clarity across wide viewing angles. With built-in Natural Low Blue Light technology, the monitor filters out harmful blue light emissions to protect your eyes and reduce strain, without affecting the picture quality.

Hassle-free work set-up

Easy to set up and manage, the Think Vision S24i-30 Monitor will have you up and running in no time. A host of connectivity features including HDMI, VGA, and audio out ports help you plug in and connect easily to other devices and speakers or headphones. A VESA mount frees up your desktop and affords an optional viewing position. Thanks to a quick assemble and release button, the Think Vision S24i-30 Monitor is designed to be easy to use.
