Impressive Display From Any Angle

The FHD In-Plane Switching panel does not distort content when viewed from any angle, up to 178? on either side, allowing everyone to work more accurately with greater details. The ThinkVision T24i-

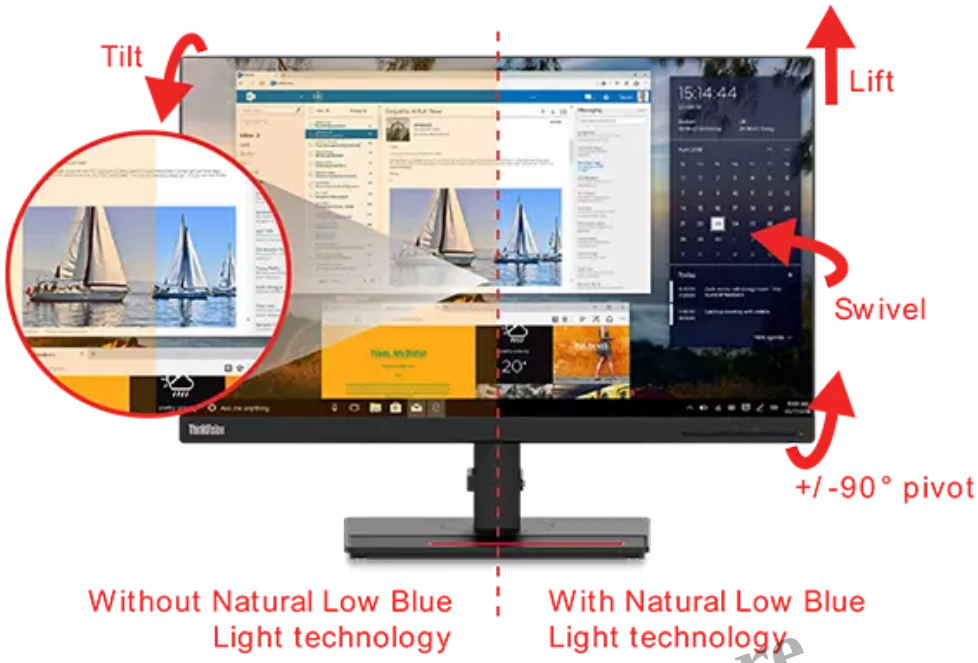

2L’s ultra-thin NearEdgeless bezels maximize screen real estate and enable a seamless multi-monitor setup for easy multitasking and navigation of large documents.

Flexible Connectivity Options

Connect your accessories directly to the monitor through its four USB 3.2 Gen1 downstream ports. Power, video, and data peripherals, along with multiple options for display like VGA, DP1.2, and HDMI 1.4 ensure you experience seamless collaboration. Plug external speakers in through the Audio port for enhanced sound during meetings.

Comfortable Work Environment

The ThinkVision T24i-2L's minimized square base, phone holder, and flexible cable management system help you stay organized. Pivot, tilt, swivel, and lift your monitor for a comfortable setup all day long. Installing the monitor on a wall or separate mounting arms is easy with VESA mount compatibility. TÜV Rheinland Eye Comfort and Eyesafe certification, awarded by Natural Low Blue Light technology, signify that you can stay focused all day with reduced eye strain, while ensuring color accuracy and eliminating yellow distortion.
