

Lenovo ThinkVision T27h-30 LED MONITOR 3 Year – 63A3GAT1UK

Description

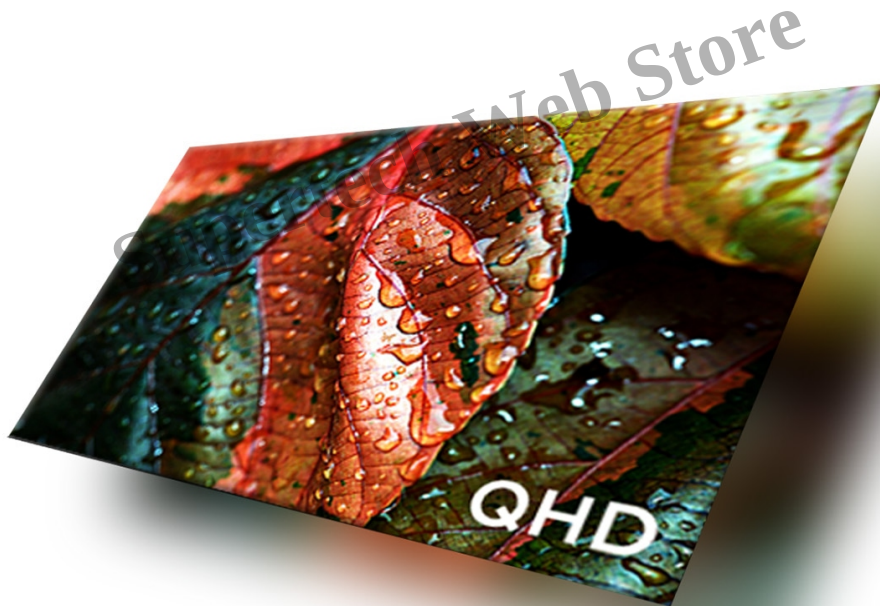

Lenovo ThinkVision T27h-30 LED MONITOR 3 Year – 63A3GAT1UK

The **Lenovo ThinkVision T27h-30** is a premium LED monitor designed to deliver exceptional clarity and vibrant visuals for professionals.

With its 27-inch display, the **Lenovo ThinkVision T27h-30** offers outstanding performance and reliability, making it an ideal choice for any office or workspace.

Brilliant Visual Clarity Very Powerful Performance

ThinkVison T27h-30

Visual Delightfulness With QHD Clarity

Elevated Viewing Experience

The 27" display with a 2560 x 1440 resolution provides 1.77 times more clarity than FHD, making the monitor ideal for professional, creative work.

Natural Low Blue Light

Constant Eye Care Without Distorting The Colors

Natural Low Blue Light technology is always enabled, and it cuts down harmful blue light rays to reduce visual fatigue and eye strain.

*Lenovo Natural Low Blue Light Mode **vs** Conventional Blue Filter Mode

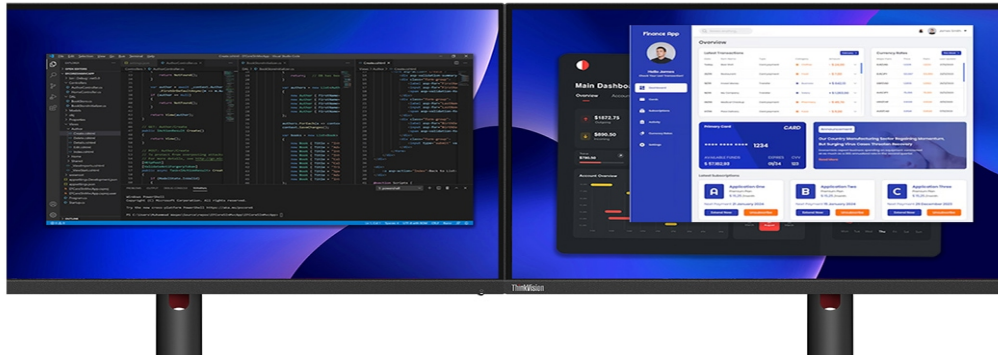

Enhance Your Daily Effectiveness At Work

One Cable USB-C Docking For Efficiency

The built-in Ethernet port provides a secure and rapid network connection; also, extend your monitor's connection with its four USB 3.2 Gen1 ports. It supports the modular VoIP solution. There is the option of using the ThinkVision MC30 soundbar* and the ThinkVision MC60 webcam*, which you can use for

incredible video conferencing experiences.

Daisy-Chain & Multi-Screen

Power Up Your Productivity

DP daisy-chaining permits easy multiscreen connections from a single device, which is ideal for finance, coding, and other multiscreen workflows. The narrow bezel design reduces screen gaps, which ensures a seamless and cohesive viewing experience.

Full Function Ergonomic Stand

Ergonomic Design For Comfort

It is equipped with an ergonomically-designed full-function stand that permits comfort with its wide adjustment capability.

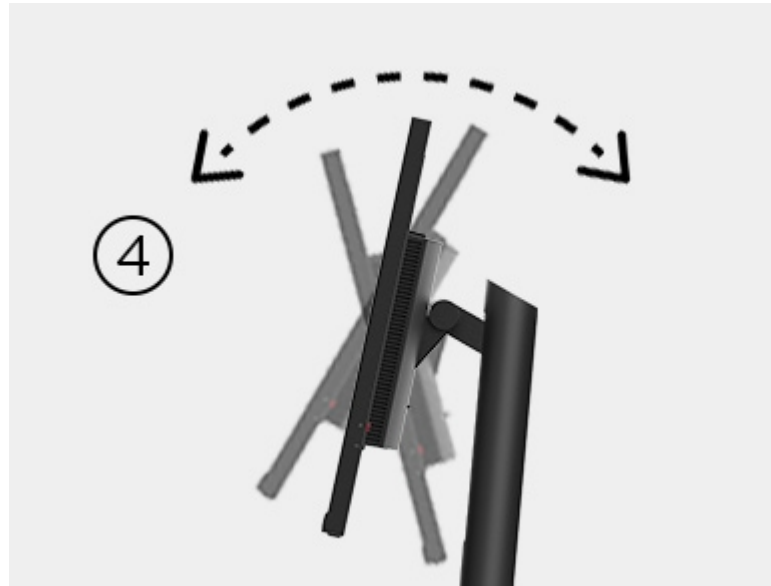

? Pivot: -90°~90°

? Swivel? -45°~45°

? Lift? 155mm
