

## LENOVO USB-C MINI DOCK-UK – 40AU0065UK

### Description

## LENOVO USB-C MINI DOCK-UK – 40AU0065UK

### Features

One cable, endless capabilities

Easily connect to an external 4K or 1080p display with HDMI™ or VGA, wired RJ45 network, two USB-A devices, and USB-C power pass-through – all via a single USB-C cable that disappears inside the minimalist design.

Compact design, universal compatibility

Compact design only weight at 156 g (0.3 lbs) makes it perfect for on-the-go. Compatible with Lenovo-branded USB-C laptops as well as other industry standard USB-C PC.

Enterprise networking and security

The Lenovo USB-C Mini Dock provides secure enterprise network manageability such as PXE boot and Wake-On-LAN. It also supports passing ThinkPad® Mac through the dock for IT to identify the system in large networks accurately.

**\*Features shown in description may not be available on all products. Please refer to product specifications for product details.**

**\*Image is for illustrative purposes. Actual touchpad has four haptic sensors**
