

Lenovo USB C to Ethernet Adapter 4X90S91831

Description

Lenovo USB C to Ethernet Adapter 4X90S91831

The **Lenovo USB C to Ethernet Adapter** (4X90S91831) is a sleek, plug-and-play solution that provides a fast and reliable wired connection through your USB-C port. It's ideal for laptops without built-in Ethernet and supports seamless networking in offices, remote setups, or travel environments.
