Windows 11-82YN0002US

Description

LENOVO YOGA 7i CI7 1355U 16GB 512GB SSD 16 WUXGA TOUCH WINDOWS 11-82YN0002US

Features

Supertech Web Store

Engineered to do it all—that's a laptop evolved

Boasting 13th Gen Intel[®] Evo processors that extend beyond performance, the thin and light Yoga 7i laptop handles multitasking and all-day creative work with ease, while minimizing impact to responsiveness, battery life, or connectivity.

Shown with included Lenovo Digital Pen in select models.

Killer comfort & sleek style

The Yoga 7i laptop's Comfort Edge 2-in-1 design delivers a modern feel and ergonomic handling. With soft edges and a polished finish, the result is a secure and comfortable grip that allows smooth transitions when switching between the four foldable modes. Plus, this device features military-grade rugged MIL STD 810H standards, making it able to withstand whatever is thrown its way.

Clear, quieter, & safer calls

Improve your hybrid lifestyle with an elevated videocall experience on the Yoga 7i. Get ultra-high quality video with the FHD webcam and clear voice call quality thanks to noise cancellation technology. And with Smart Log-in facial recognition support, you can start your sessions quickly and securely, and stay safe with the included privacy shutter.

Shown with included Lenovo Digital Pen in select models.

Sights & sounds that draw you closer

Whether you're working or playing, dive into the Yoga 7i laptop's rich, ultra-vivid, and photorealistic colors with Dolby Vision. The up-to-2.5K WQXGA display with a 16:10 aspect ratio offers an expanded field of vision with immersive and captivating visuals. And with Dolby Atmos[®]-optimized speakers, listen to flowing 3D audio.

Long battery life, peak performance

With the Yoga 7i laptop's rapid charging technology and all-day battery life, you can keep going strong for longer. Lenovo's Smart Power technology also has your back, optimizing for battery and performance depending on what you're doing.

This PC includes 3 months of Xbox Game Pass Ultimate

Play over 100 high-quality games with your new PC and 3 months of Xbox Game Pass-including EA Play. With new games added all the time, there's always something new to play. Download and play in full fidelity or play console games from the cloud with connected controller.
