Lenovo Yoga 9 13IMU9 Intel Core Ultra 7 155U 32GB RAM 1TB SSD Windows 11 Home 13.3? Anti-fingerprint – 83FF002AMJ

Features

Engineered to do it all: The laptop evolved

Powered with the latest Intel® Evo™ Edition Core™ Ultra 7 processor, the Lenovo Yoga Book 9i Gen 9 (13" Intel) is perfectly suited for your hybrid lifestyle.

Combined with accelerated machine learning from Lenovo AI Engine+, it smartly unlocks maximum performance and creative efficiency on two full sized

OLED displays. It's an EVO Edition that comes with Intel® Iris® Xe graphics onboard, unleashing supercharged visuals for an elevated creative journey.

For non-stop productivity, experience longer battery life that tops up quickly with Rapid Charge technology.

A real page turner

Breathtaking twin 13.3" 2.8K PureSight OLED screens beckon you with absolute brilliance, and boast the highest resolutions, deepest contrasts,

and sharpest clarity. Every hue and shade are rendered in exquisite realism with up to 100% DCI-P3 color gamut. Witness scenes come alive in

deeper blacks and brighter whites with VESA® Certified DisplayHDR™ True Black 500 support.

Express your creativity on a larger canvas. Conquer virtual

realms with a wider field of vision. Multitask like never before. Whatever you do, it's twice the charm.

All systems go

Intuitive by design, the Yoga Book 9i Gen 9 makes it easy to use and to love with its next-level system features. From creating to collaborating,

Smart Launcher lets you group and open your go-to apps with a single click. Put your own stamp on the Enhanced Virtual Keyboard by changing its

onscreen position, how it feels under your fingers, and how it looks – you can even use your own images. Lose yourself in a book with the Smart Reader,

delivering lifelike page-turning and cross-screen reading. And bringing more speed to everything you do, Smart Multitasking adapts to your app habits automatically.

Seeing is believing

Yoga Book 9i Gen 9 comes ready for action. In addition to the device itself, Yoga Book comes with a Bluetooth® keyboard, a stylus pen, a folio case, and—new for Gen 9—a mouse. The innovative folio case is an origami-inspired masterpiece. Compact and sleek when closed, it unfolds into a stable, versatile stand, catering to every viewing angle. It's magnetically designed to secure the wireless keyboard, and includes a specialized holder for the stylus pen.

Sustainability built in. And out.

The ENERGY STAR® rated and EPEAT® Gold-registered* Yoga Book 9i achieves plastic-free packaging. All paper used in packaging is FSCTM-certified and made from other controlled material.** It's built with 90% post-consumer recycled plastic in the power adapter case, plus 100% recycled aluminum in the top cover. All Yoga Book 9i Gen 9 (13" Intel) devices are Carbon Neutral Certified.

Smart forward

Infused with machine learning, the Yoga Book9i Gen 9 with Lenovo AI Engine+ elevates the way you work, create, and play. Whether you're applying video effects, using Copilot, or just reading an article, features like Smart Power balance high performance with thermal efficiency while using less energy. The device wakes instantly from sleep at your presence with Smart Login. It pushes you forward, so you can achieve limitless possibilities on your way to creative expression.
